Hearts ~ Helping Every Athlete Receive Their Screening

Does your child participate in competitive sports?

A heart condition known as HCM (Hypertorphic cardiomyopathy) is one of the leading causes of sudden death among high school athletes. This heart condition can strike without warning and occurs in 1 in 500 among the general population. Many high schools throughout the country are having their athletes screened for this heart condition. Champion Hearts provides a simple, inexpensive ultrasound screening that will detect this condition and other heart abnormalities in less than 15 minutes. This test saves lives, however most insurance companies do not cover it. Therefore your student will not be screened for this routinely during their pre-season physical. Champion Hearts will be here to give a presentation, answer questions and have sign up for the test on **July 11th** at 9:45 am at Good Shepherd Parish in Menomonee Falls in Daniels Hall. The screening session will be on **July 24th**, from 1 to 4 pm in the Good Shepherd Chapel. The cost is $35. If there are any questions please call Cheryl at Good Shepherd on Tuesday or Thursday or on my cell 252-305-4117 anytime. Sign up is recommended.

Adult Carotid Artery Screening

Along with the teenagers, we will also have information on **July 11** from 9:45 am at Good Shepherd Parish in Daniels Hall for adults. There will be screening for carotid artery disease. This is often a precursor to strokes. It is not a routine test done by your physician, generally it is only done when there are symptoms. Early detection of Stroke risks is key to prevention. So adults of all ages are encouraged to come and learn more about these key screenings that can possibly save your life or that of a loved one. Screening day and time is also **July 24th** from 1 to 4 pm in the chapel at Good Shepherd Parish. Any questions please call Cheryl at 262-305-.4117

MISSION STATEMENT
St. James is a vibrant, welcoming Catholic Community Journeying towards the fullness of the Kingdom of God through worship, formation and service.

Field of Dreams Community Garden Update

Last Saturday, June 26th, six volunteers harvested vegetables in the parish garden from 8:00 to 9:00 a.m. They then went into the Community Center's kitchen where they washed, bagged, labeled and boxed the vegetables for the Cooperating Churches of Sussex's (CCOS) food pantry. They were able to clean up and delivered 37 bags of produce to the food pantry before 10:00 a.m. which is when it opens on Saturdays. Two parish members brought produce from their own home gardens to add to the donation. This was after following our earlier suggestion to "Plant an Extra Row" in your own garden for the food pantry. We also had a parish member drop off recipes to include with our vegetables, so food pantry clients will have alternative ways to preparing our vegetables. At the food pantry the volunteers introduced themselves to Christina Hartwig, food pantry coordinator, and learned where to place the vegetables for clients. The number of bags donated to the food pantry each week will be emailed to Christina to document St. James' overall donations. So volunteers will count the number and type of vegetables donated to the food pantry each week. We hope to provide a seasonal total as fall turns to winter. **Vegetables delivered this week were**: 16 Bags of Lettuce, 4 Bags of Swiss chard, 3 Bags of Radishes, 3 Bags of Spinach, 3 Bags of mixed greens, 3 Bags of Parsley, 2 Bags of Basil, 1 Bag of Snap Peas, 1 Bag of Kale and 1 Bag of Broccoli for a total of **37 bags.** If you would like to join our volunteers you can sign up at the Gathering Space's kitchenette, or contact Paul Schneider at (414) 587 – 1202 or email him at pschneider@wi.rr.com. Thank you for your help. Our garden is helping to feed people in need.
