**For where two or three are gathered
together in my name, there am I
in the midst of them.**

Mt 18:20

**PEW VIEW
HOMEWORK**

“She really offended me.”
 “Do you know what he did to me?”
 “Let me tell you about my neighbor.”

Who is the first person you tell when someone has offended you, done something wrong against you, or hurt you in any way? Is it the individual who actually committed the offense or is it another person?

Today’s Gospel message is simple: “If someone sins against you, go and tell that person the fault between you and that person alone.” The Workbook for Lectors even has the word “alone” highlighted. **Alone.**

Has someone sinned against you, offended you, irritated you, annoyed you, or in any other way hurt you, then the Lord commands that we go and **tell that person** the fault and that person alone. That is the first step.

So, a short column this week since the message is simple. If we are faithful to living the Gospel there will probably lots of one-on-one conversations this week!

PARISH TOWN HALL MEETINGS

SEPTEMBER 21, 11:45 a.m.

In church after the 10:30 Mass

AND

September 22, 7 p.m.

Community Center

A parish town hall meeting is like a “state of the parish” (think State of the Union, State of the State, etc) with an opportunity for participants to offer comments and ask questions. With Fr. Mike on extended medical leave this might be a good time to address questions about the operation of the parish – function of a parish director, membership trends, finances, and to take a peek into the future.

Both meetings will have the same content and format and are being offered twice in the hopes that it will be convenient for as many people as possible to attend one of them. All are welcome and I look forward to seeing you.

Are you looking for some company to share a meal and good fellowship? Have you had a loss and need to be near those who are also journeying through their grief? If you answered yes to these questions, please come and join us at the next St. James Bereavement Fish Fry.

We start out with a half hour social time and then enjoy a Wisconsin tradition of Friday night fish fry together. It will be held at the Sussex Boneyard Grill on **Friday, September 19th, starting at 5:30 pm**. All are welcome to join us. Prayer Shawl Ministry Meeting

The prayer shawl ministry is a way to care for people who are suffering, wrapping them in the prayer and love that is part of each piece we create. If you would like to come to our next meeting to learn more about this ministry, we will be holding our next meeting on the **16th of September in the Community Center at 3:30 pm**.

We share our knitting or crocheting ideas with each other as we sit making our prayer shawls at the meeting. Even if you don't crochet or knit, maybe you would like to learn? We have extra needles and hooks as well as yarn people have donated.

Contact our Parish nurse, Pam Dennis, if you would like to attend or have questions: **(262) 250-2663 or e-mail at dennisp@archmil.org**.

Stewardship:

The faithful discern stewardship priorities

In the background paper, *“Stewardship: A Disciple’s Way of Life,”* author Barbara Vite, parish stewardship director, Archdiocese of Milwaukee says, “Faithful stewards receive God’s gifts gratefully because they understand that we have done nothing to deserve the bounty showered upon us by our generous God. He has given us all, including his Son, because of

his great love for us. Good stewards cherish and tend these gifts in a responsible and accountable manner for they know these gifts are not meant to be left idle or squandered away. Gifts given are meant to be nourished, to grow and to multiply.

“Authentic stewardship flows from a profound sense of gratitude that develops as each individual deepens in personal relationship with the Lord. As that connection becomes stronger the need to give increases until it overflows the banks of our resistance.”

Below are the top two priorities in Stewardship voted on at the Synod.

First Priority – 27% – Training for Parish Action Groups

Develop educational programming and materials to train small outreach/stewardship/evangelization action groups in every parish to focus on internal and external invitation and engagement.

Second Priority – 23% – Multi-Generational Programs

Develop multi-generational programming on the theology of stewardship that incorporates events and service components.

Other areas of stewardship such as training for pastors and associates, Archdiocesan-wide offertory process, curriculum for schools and formation were discussed and discerned, and will be taken into consideration as Archbishop ListECKI creates his Synodal Declaration. For more information, go to www.archmil.org/Synod2014.htm.

The next key mission area to be featured will be Leadership – the eighth and final area discerned at the Synod. On September 14, Archbishop ListECKI will issue a Synodal Declaration, which will include the priorities set for the Archdiocese for the next 10-15 years. The information from the Synod will assist Archbishop ListECKI in his discernment process in creating this Declaration.

Catholics Returning Home—An Invitation for Non-Practicing Catholics

~ If you know someone who has been away from the Church for awhile, this invitation is for them. No matter how long they have been away and no matter for what reason, we invite them to consider renewing their relationship with the Catholic Church. Please invite them to join us for informal listening sessions and an update of the Catholic faith facilitated by former non-practicing Catholics. No strings attached!

Where? St. Agnes, on six consecutive Wednesday evenings at 7 p.m. beginning September 17, 2014. For more information, call Laverne (262/251-3968) or Shirley (262/251-3888).

A Note from the Parish Nurse, Pam Dennis:

We are fortunate to be able to host a great nutrition and activity program here at St. James sponsored by the Aging and Disability Resource Center of Waukesha County and Mount Mary College. The program is called, **“Eat Better & Move More”**. It is for adults age 60 and over and will be held every Tuesday from September 16th through November 18th (no class on Election day, November 4th) from 1:30 pm – 3:30 pm in our **cafeteria**.

What will you be doing, you probably are thinking? You will have your fitness level assessed before and after the program to see how you have improved, you will learn new nutrition information each week to improve your eating habits, receive a step counter to track your steps each week and take part in exercises to improve your stamina, flexibility, strength and balance. There will be weekly prizes and gifts along with a \$10 gift card for perfect attendance! Come and join the fun. Pre-registration is required for participation. You can register by calling or e-mailing Pam, the parish nurse. **A \$15 suggested donation is to offset equipment cost.**

A Note from the Parish Nurse, Pam Dennis:

September is “Fruit and Veggies – More Matters Month”. It is sponsored by the Produce for Better Health Foundation and Centers for Disease Control and Prevention. Every step taken towards eating more fruits and veggies helps you and your family be at their best. Eating fruits and vegetables may reduce your family’s risk of many diseases, according to the Dietary Guidelines for Americans, the recommendation is to eat more fruits and vegetables than any other food group.

Here are top ten reasons to eat more fruits and vegetables:

- 10) Color and texture add more appeal to your plate
- 9) Convenience. Fruits and veggies are nutritious in any form, fresh, frozen, canned, dried and 100% juice so they are ready when you are!
- 8) Fiber. Fruits and veggies provide fiber that helps fill you up and keeps your digestive system happy.
- 7) Low in Calories. Fruits and veggies are naturally low in calories.
- 6) May reduce disease risk. Eating plenty of fruits and veggies may help reduce the risk of many diseases, including heart disease, high blood pressure and some cancers according to the Better Health Foundation.
- 5) Vitamins and Minerals. Fruits and veggies are rich in minerals and vitamins that help you feel healthy and energized.
- 4) Variety. Fruits and veggies are available in an almost infinite variety ... there’s always something new to try! Our local farmers markets are a great place to find new veggies.
- 3) Quick, Natural Snack. Fruits and veggies are nature’s treat and easy to grab for a snack with minimal preparation if any.
- 2) Fun to Eat. Some crunch, some squirt, some peel ... some don’t and some grow right in your own backyard.
- 1) Fruits and Veggies are Nutritious AND Delicious.

Now that the kids are back to school, what better time to load up on fruits and veggies for their school lunches or for nutritious dinners to energize the whole family.

St. James is here to help all people experience meaning and purpose in life.

Parish Nurse Visits

If any parishioners would like a visit from the parish nurse, Pam Dennis, or know of someone who would benefit from a visit please call Pam's office at (262) 250-2663 or e-mail at dennisp@archmil.org.

Due to the Health Insurance Portability and Accountability Act, better known as HIPAA, we are no longer allowed to gather general information of St. James parishioners who may like a visit and Communion brought to them by just calling the local hospitals. HIPAA protects everyone's health information, but unfortunately can hinder our awareness of those in need.
