**I AM THE BREAD OF LIFE;
WHOEVER COMES TO ME WILL
NEVER HUNGER, AND WHOEVER
BELIEVES IN ME WILL NEVER THIRST.
JOHN 6:35**

Love One Another by Archbishop Jerome E. ListECKi

Dear Brothers and Sisters in Christ,

Recently, I called for an urban initiative because the Church's presence in the city is at the heart and the core of the Gospel message. Our mission is to bring Christ to every corner of our city and our entire archdiocese. We are called to address issues of poverty, unemployment, crime and violence wherever they occur.

With 10 shootings in seven days, in and around the city of Milwaukee, it is paramount that something changes now. I am calling on our Catholic parishes to be beacons of light that shine in our community. I want our parishes and schools to be the collective force that creates a culture of peace and hope in southeastern Wisconsin. We begin by challenging the contemporary norm, that violence is simply a normal part of life in the city, in "those" neighborhoods or anywhere. It is not and cannot be.

Violence in our culture is fed by multiple forces. No one group or individual can address these diverse issues. If we are to affect real change, we must unite our efforts.

I don't have a solution. Sometimes, the Church has failed in thinking we know all the answers. Even our own presence as a Church in this city has diminished over the past 20 years. At times, many felt like they were alone in their struggles. But I want you to know this: the Church stands with you, next to you, alongside you. As Archbishop, I pledge to be with you.

This is not simply a problem of the central city of Milwaukee. This is not a problem of one, but a problem of all; regardless of the city, suburb or rural community in which you live, within our 10 counties. We need to lock arms and join together to serve the Common Good. This is the task of the Church: to bring together those who wish to collaborate for the good of all.

The dignity of the human person and the respect for human life is not just one more activity to do, but rather an embodiment of who we are. One death is too many and 10 shootings in seven days is an epidemic. We cannot accept only to contain or reduce this senseless violence, but to marshal our elimination efforts.

We need to work together, to ensure people have jobs and can earn living wages. Quality education must provide a way to break the cycle of poverty. There must be incentives for commerce and business to thrive in our cities as job providers. Not just the local convenience store, but stable neighborhood businesses that employ people and contribute to the stabilization of neighborhoods. We need jobs that allow people to own their own properties and take pride in their neighborhoods.

We need to strengthen our families, where strong role models are offered to the young men and women hungry for examples of virtue that can only be provided by mothers, fathers, grandparents. We need to establish a coordinated effort between members of the local community and law enforcement, which would shine a light on those attempting to prey upon the vulnerable within our communities – especially our seniors and the young.

We must see all as contributors. There can be no room for those who do not desire a better community for themselves and their children. In this sense, we will create a new environment because it will require that all sacrifice and take responsibility for a peaceful and stable community.

In the Joy of the Gospel, Pope Francis writes, "The new Jerusalem, the holy city (cf. Rev 21:2-4), is the goal towards which all of humanity is moving. It is curious that God's revelation tells us that the fullness of humanity and of history is realized in a city. We need to look at our cities with a contemplative gaze, a gaze of faith which sees God dwelling in their homes, in their streets and squares. God's presence accompanies the sincere efforts of individuals and groups to find encouragement and meaning in their lives. He dwells among them, fostering solidarity, fraternity, and the desire for goodness, truth and justice. This presence must not be contrived but found, uncovered. God does not hide himself from those who seek him with a sincere heart, even though they do so tentatively, in a vague and haphazard manner."

Sometimes, we don't know where to begin. The challenges seem overwhelming. At times like that, I choose to begin where, as Catholics, we begin all things – in prayer. God does not hide himself from those who seek him with a sincere heart.

On August 13, I will preside at a Mass for peace in our city, at 6:30 p.m., at St. Francis of Assisi Parish, 1927 N. 4th St., Milwaukee (4th and Brown St.). I invite you to join me for Mass, after which, we will hold a candlelight vigil outside the church, inviting the entire community to stand with us and pray for peace. Perhaps that candle will begin to shine a light, one that produces a confidence that, with God, all things are possible.

Just as Jesus wept at the death of his friend Lazarus, so we weep in solidarity at the deaths of our brothers and sisters in our city. We call for an end to this violence and the ability of our brothers and sisters to live in peace. To achieve that end, we promise to work together to find solutions for the societal ills that plague us. In doing so, we respond to Jesus' call to Love One Another.

See with God's Eyes.

“Get on the Bus, Gus!” Remember that song from Simon and Garfunkel?

We're organizing a bus to go to **St. Francis of Assisi Parish in Milwaukee, Thursday, August 13th**, for a special Mass for Peace in the Central City. Archbishop ListECKI will preside at a 6:30 pm Mass, followed by a candle light vigil, for an end to the violence in the central city.

The bus will leave from the St. James parking lot at 5:30 pm. We plan to be back at St. James by 10:00 pm.

If you'd like to drive yourself, St. Francis of Assisi Church is at 1927 N 4th St. (4th and Brown).

The other members of our cluster parishes are also invited. You can either leave a voice mail or an e-mail to me to reserve your spot.

Thanks,

Fr. Mike Moran

Troop 175 is GROWING

In the last three years Troop 175 has grown from 30 Scouts to almost 60 Scouts. This is a great thing but it has caused us some "growing pains". We have outgrown our existing garage, located in the North parking lot. The Troop Committee and St. James have approved plans to expand the garage to accommodate the needs of the troop and provide some much needed storage space for the Fields of Hope and Dreams and Holy Ground garden.

We need your help us make this new garage a reality. We are in **NEED** of the following skills and items:

Skilled or experienced labor in carpentry, electrical, masonry, roofing, excavation, grading, and/or demolition

Temporary storage for troop trailer/gear during construction

Lumber

Roofing Supplies

Lights and Outlets

Hardware

Concrete

Asphalt

Items can be donated or provided at cost. The Scouts have raised \$10,000 to aid in the construction of the garage. Our estimated cost is approximately \$16,000 so any savings of donated labor and supplies or even a donation of supplies at cost would be greatly appreciated.

If you are available to help in any way, please contact Mara or Patrick Scherer at 262-372-4192 or pscherer3@wi.rr.com

Mary, Moms and Muffins meets in August...

Moms, when was the last time you took time to talk to God? I mean, REALLY talked to God? Our days are spent talking to our children, our spouses, our families, our co-workers and our friends. Talking is how we nurture those relationships...telling people we love them, sharing our life stories, offering comfort and finding strength.

But what about your relationship with God? It needs that same nurturing yet it's the one relationship we tend to put on the back burner. God is waiting for you to talk to Him, He wants to hear your stories, He wants to comfort you and give you strength.

You can set aside time for God by joining other moms from our parish, **August 22nd**, for our next Mary, Moms and Muffins Rosary group. This may be just what you need to rekindle your relationship with God. As we pray through our Blessed Mother, she will lead you into a closer relationship with Christ and your life will ever be transformed. Even if you've never prayed the Rosary before, **DON'T WORRY...**a cheat sheet is provided and we all use it, so you'll be in good company! All you have to do is dig out those rosary beads (or use some of ours) and set the alarm! We meet at **7am in Reconciliation Room** at Church. Hope to see you there...**August 22nd, Saturday morning** - God bless.

A Note from the Parish Nurse, Pam:

Your risk for falling increases as you age. According to the U.S. National Institutes of Health, one third of people over age 65 fall each year; resulting in 2 million visits to the emergency room. Hip fractures and head traumas are common injuries.

There are many reasons for the falls: worsening vision, balance problems, weaker bones and muscles, side effects of medications and dangers at home. The good news is that there are steps you can take to help reduce the chance of injury. First thing, talk with your doctor about your medications. Ask if any medications that you are taking can cause dizziness and let the doctor know about the over the counter medications you are taking too as they can interact with your prescription ones some times.

Check your eyes and ears, if vision is becoming weaker it can increase your risk of falling. Certain disorders of the ear can cause balance problems. Take time to visit your doctor or specialist to have your eyes and ears checked.

Exercise is another way to prevent falls. When you exercise you can strengthen your muscles and improve your balance ... it goes a long way toward preventing falls. Some ideas for exercise are walking, strength training and water aerobics. If you are worried that exercising may increase your risk of falling talk to your doctor about gentle exercises to help get you started. Sometimes a physical therapy consult and a few visits can be a safe way to learn exercises that are right for you.

Another preventative measure is to wear the correct shoes. High heels, floppy slippers, slip-on shoes and shoes with thick soles can make you slip and fall. Also be careful walking around with socks and no shoes. It is important to buy good-fitting, sturdy shoes with nonskid soles and wear laced shoes rather than slip-ons.

Lastly, check your home for hazards: remove any loose items in walkways (boxes, newspapers, cords), secure loose rugs, store items within easy reach, if you spill a liquid clean it up right away, use non-slip mats in your bath tub, shower and bathroom floor and make sure your home is well lit. The use of a night light is really important as well as keeping a flashlight near your bed.

Personal medical response systems are a great defense against dangers of falling when no one is around to help you. These devices sense when you have fallen or if you have stopped moving. The system then alerts family or emergency services.

Lastly, **St. James parish is sponsoring a falls prevention class beginning the 23rd of September through the 4th of November, every Wednesday from 10 am- 12 pm in our cafeteria.** The class is called, **STEPPING ON**, and is a 7 week program perfect for adults who have fallen in the past year or for those who have a "healthy respect" for the consequences of a fall. This highly interactive workshop covers exercises to improve strength and balance. Participants are empowered to take an active role in fall prevention. Weekly topics explore the role vision, medications, sleep, home hazards and footwear play in falls prevention. Simple balance and strengthening exercises are taught as well. If you would like to sign up for this class please **call Diana in the rectory at: 253-2235 or e-mail at wyszkowskid@archmil.org.** We cannot stop the aging process, but we can make it safer!

**FIELDS OF HOPE & DREAMS
And HOLY GROUND GARDEN**

What a wonderful Mass on the Grass celebration last Sunday. After the picnic luncheon several St. Martin de Porres parishioners toured our grounds. They were astonished by the beauty and abundance of our community gardens, especially our newest, the Holy Ground garden. They remarked how blessed we are to have such an abundance of land for gardens and such a wonderful committed group of volunteers to carry out our mission to the Cooperating Churches of Sussex's (CCOS) food pantry.

Last Sunday's reading (John 6:1-15) was Jesus' feeding the multitudes with five barley loaves and two fish. How appropriate for our picnic, with the multitude of St. James parishioners feasting and enjoying the afternoon food and entertainment. And when we collected the leftovers, it wasn't from barley loaves, but from the brats, hot dogs and salad. Father Dave from St. Martin de Porres, drove the leftovers to the evening meal at St. Ben's. Can we proclaim this as a miracle like the people did back then when they collected the barley loaf leftovers?

At the mass, Father David spoke of the poverty and violence in the inner city. And Father Mike invited the whole parish to a prayer service on August 13th to pray for peace and an end to violence. A bus will provide transportation from St. James. I hope many of you can attend. And we blessed and sent forth our "Workcampers" on a bus to St. Paul, MN. We sang "Go Make A Difference" which was appropriate and hopefully meaningful to our youth as they serve those less fortunate in Minneapolis.

If any or all of this sounds inviting – get involved. If you'd like to join our garden volunteers, call (414) 587-1202 or email pschneider@wi.rr.com. For other ways to get involved call our new Pastoral Associate, Gerry Wolf at (262) 253-2213. Thank you for being the church that you are.

Operation Backpack

The members of the Cooperating Churches of Sussex are sponsoring **Operation Backpack**. This is a way to ensure that every child in the Sussex area receives all of the necessary school supplies to get the school year off to a great start. You can help by donating needed school supplies. There will be a collection bin at church until August 16th. Suggested items include:

- | | |
|------------------------------------|----------------------------------|
| New backpacks | Compasses |
| Wide-ruled notebooks | Calculators (basic 4-function) |
| Wide-ruled loose leaf paper | Watercolor paints |
| Folders | Crayons (24-count) |
| Pens (black, blue, red) | Erasers (pencil cap and regular) |
| Markers (fine and broad tip) | School glue |
| #2 pencils | Glue sticks |
| Rulers | Child-size scissors |
| Protractors | Post-It Notes |
| Highlighters | Permanent markers |

(If you prefer, we will also accept gift cards to stores that sell school supplies. We will use them to purchase additional supplies.)

We are, again, accepting cash donations. This money will be given to Sussex Food Pantry for distribution throughout the year to families that have difficulty affording field trips or other special school expenses.

Distribution of supplies will be **Thursday, August 20th** from 9:00am–11:00am and 5:00pm–7:00pm at St. James. If you or someone you know is in need of school supplies, please contact Diana at the St. James Parish office (262-253-2235) to register. To be eligible for the supplies, students must attend a school in the Hamilton School District or attend one of the Cooperating Churches of Sussex (Christ Our Savior Lutheran Church, Lisbon Presbyterian Church, Redeemer United Church of Christ, St. Alban's Episcopal Church, St. James Catholic Church, Sussex United Methodist Church).

Working together, we can enhance children's learning by providing them the tools they need.

Reverse Collection to Support Food Pantry

Don't forget your food items next weekend, August 8 & 9th.

If you took a ticket at Mass through our reverse collection, please bring those items on your ticket. If you didn't get a chance to grab a ticket please bring a few items in support of our local Sussex Food Pantry.

The Sussex Food Pantry provides approximately 3,000 pieces of free food and other needed items to an average of 90 local needy families each week. Please consider participating in this worthwhile event.

St. James is here to help all people experience meaning and purpose in life.
