Simon said in reply, "Master, we have worked hard all night and have caught nothing, but at your command I will lower the nets." When they had done this, they caught a great number of fish and their nets were tearing. - Lk 5:5-6

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

## Matthew 25 Year of Mercy

During this Jubilee Year of Mercy, Pope Francis calls us to share with everyone the tender compassion of God that we ourselves have experienced. In today's Gospel, Luke uses a special Greek word conveying just such tenderness. In the other Gospels, Jesus calls the disciples to be "fishers," *haleis*, the same word that means catching fish with hooks or nets, to be killed and eaten. But Luke uses *zogron*, from *zoe* or "life," meaning "catch or gather people alive," as animal lovers capture without harming, rescue from "the wild" for a better life, and protect in aquarium or zoo, tenderly cared for by professionals committed to the creatures' well-being. So in Luke's vision—and Pope Francis' as well—we who have been "caught alive" by God's mercy ourselves are to become "missionaries of mercy" during this Jubilee Year of Mercy, rescuing fellow sinners from danger and gathering them into Jesus' community to enjoy fullness of life. —Peter Scagnelli, Copyright © J. Prepare for Lent Read Matthew 25:31-46 and John 15:8-17

**Next weekend: I was hungry and you gave me something to eat...**

**BRING:** food items for Sussex and St. Martin de Porres food pantries

Especially - Hamburger Helper, Sloppy Joe in a can, Jello, Pudding, egg noodles, soup, tuna, canned fruit, cereal

Our theme this year, ***Transformed by the Spirit***, speaks to the power and presence of the Holy Spirit to work in our faith lives and in the sacramental life of the church. The theme is a directive to encourage us to open our hearts and minds to the inspiration of the Holy Spirit. Archbishop ListECKi has stated that if we open ourselves to the Spirit transformation occurs. Now is the time to re-energize and refocus our efforts to advance the mission of the Church, to lay the groundwork for achieving Synod goals, to support and maintain important foundational ministries, and help move the Church forward.

The 2016 Catholic Stewardship Appeal website at [www.CatholicAppeal.org](http://www.CatholicAppeal.org) is now live. You will enjoy watching Archbishop ListECKi's video.

Your personal leadership and financial support of the Catholic Stewardship Appeal is always important. That and how well you promote and encourage participation in your parish will be of tremendous help toward reaching our collective **\$7,650,000 goal**.

Together we enjoyed great success last year so I'm looking forward to another strong year of Appeal results in 2016.

Last year our parish surpassed the goal set for us. Lets make every effort to do that once again.

## FAST & ABSTINENCE

**Customarily, fasting required that a person take only one meal a day**, current Church discipline permits one to take a main meal and two lesser meals which together do not equal the main meal.

All persons who have reached their 14th birthday are bound by the law of abstinence. All adults are bound by the law of fast from their 18th to their 60th year.

Ash Wednesday and Good Friday are days of abstinence from meat and meat products as well as days of fast.

The other Fridays of Lent remain days of abstinence from meat and meat products.

The Fridays of the year outside Lent remain days of penance, but the traditional abstinence from meat may be substituted with some other practice of voluntary self-denial or personal penance. This may be physical denial, self-restraint or acts of religion, charity or Christian witness.

## Laudato SI’ Praise Be! On Care for Our Common Home

### The Earth Recycles and So Should We

“Each year hundreds of millions of tons of waste are generated, much of it non-biodegradable, highly toxic and radioactive, from homes and businesses, from construction and demolition sites, from clinical, electronic and industrial sources. The earth, our home, is beginning to look more and more like an immense pile of filth.” [Pope Francis, LS 21]

**Recycling Electronics.** State law bans electronics and appliances from landfills and incinerators due to the valuable materials that can be recycled and reused, including precious metals like gold and copper and hazardous materials such as lead, mercury, cadmium, chromium and chemical flame retardants that need to be disposed of properly. On **Saturday, February 13 from 9:00 a.m. to noon, a one-day collection of electronics and appliances will be held in Oconomowoc at 630 South Worthington Street.**

**Items that will be collected for a cash only fee:** television sets (\$20 each); Cathode Ray Tube computer monitors (\$5 each). **Items collected at no fee:** computers, other computer monitors, printers, keyboards, laptops, scanners, DVD players, VCRs, stereos, cell phones, telephones, air conditioners, dehumidifiers, refrigerators, microwaves, watercoolers, freezers, water heaters, washer/dryers, stoves, oven/ranges, dishwashers. **Learn more about at the table with Pope Francis in the gathering space.**

### **Electronic Giving!**

Consider automating your regular donations with our new electronic giving program. St. James Parish relies on the financial support of all parishioners and electronic giving offers an easy way to give on a recurring basis. Visit the parish website: <http://stjames-parish.net> and click on the “Give” button or the “Online Giving” tab to set up and schedule your payments.

## St. James Community Garden

You can learn a lot from names. Sometimes you can guess a person’s ethnicity...Finnian and Bridget suggest Irish ancestry; Hans and Gretchen would suggest German background. Sometimes you can make a guess at age...Norman and Gertrude were once very popular, but they aren’t used much lately.

Take a look at our name, “St. James’ Community Gardens”. The ‘St. James’ makes sense because the gardens are, among other things, located on the parish grounds. And ‘Gardens’ makes sense because, well, they are gardens. But look closely at ‘Community’. These gardens certainly benefit the community; the produce grown in our gardens is donated to the Sussex Food Pantry for the benefit of those in need. But, ‘Community’ is also important because the gardens depend upon the efforts of a community. Obviously the gardeners are part of the community, but there are other important members as well. The community of the garden also includes people willing to move soil to build the gardens; people willing to weed and harvest; people willing to nurture seedlings into plants; people willing to wash, package and deliver food to the pantry. When you think about it, it is very much a community garden.

Even if none of those roles fits your lifestyle right now, you can still participate in the community of the garden. Mark your calendars for the weekend of May 21st and 22nd when we will be conducting our annual plant sale. The donations you make during our sale will help us continue to provide nutritious food for those who need it.
