BAPTISM INFORMATION
To register for a pre-baptism class and to schedule a baptism call Daryl Olszewski at 253-2213.

Here is some basic information about celebrating baptism at St. James.
1. Parents should be registered members of St. James.
2. Participation in a pre-baptism class is expected of parents. It is highly recommended that parents participate in the class before the child is born.
3. Pre-baptism classes are usually held once-a-month on the second Saturday.
4. Baptisms are generally celebrated at any of the Masses on the weekend of a third Sunday, except during Advent and Lent. So that the baptisms may be as personal as possible only four baptisms are scheduled for any Mass.

Upcoming baptisms are scheduled for the weekend of:
• January 15th and 16th
• February 19th and 20th
• March 5th and 6th.
  (Easter is April 24th and First Communions are scheduled for the weekends of May 1st and May 8th.)
• Baptisms will be scheduled at the 5 p.m. on May 14th and only at the 8:15 a.m. on May 15th because Confirmation will be celebrated at 1 p.m. on May 15th.
• The June baptisms will be scheduled for the weekend of June 4th and 5th because June 12th is Pentecost; June 19th is Fr. Art’s last weekend at St. James; and it is anticipated that the weekend of June 26th will be the weekend for welcoming the new pastor.
**Christmas Giving Tree**

A heartfelt thank you to all who donated to the 2010 Christmas Giving Tree. Through your generosity, $5000 in gift cards and a sleigh full of games, toys and clothing were donated this year. All of these gifts are sincerely appreciated by our sponsored organizations, Interfaith, Milwaukee Center for Independence, Sussex Outreach Services and the St. Vincent DePaul Society and they will certainly touch many individuals and families this year. Thank you for sharing the light of Christ this Christmas season. May you have a Blessed New Year!

**Youth Night**

February 18th is another youth night in the community center. All middle school and high school students are welcome to join us in Game Night. Throughout the night we will play games like Taboo, Catch Phrase, Apple’s to Apple’s, and much more, while listening to music and eating snacks! The event is free, but we do ask that everyone brings a canned food item to donate to the Sussex Food Pantry. Also, students are encouraged to bring a dessert or snack to share with the group. Everyone’s welcome regardless of if they are St. James members or not. If there are any questions please contact Amy Walsh at 262.820.1477 or Tracy in the CF office at 262-253-2908.

**2010 Holly Days a Huge Success**

Thank you to the volunteers, basket donors, the vendors, Knights of Columbus, Blain and Kevin for providing live Christmas music, and to the helpful maintenance department for their support. We also want to thank you, the parishioners, for supporting this event.

**“I Came that They May Have Life” - Living Christ’s Message of Love for All February 13 – Save the Date**

On Sunday, February 13 at 6:30 to 8 pm in the St. James Community Center, Fr. Art Heinze and Vicki Thorn will provide us with an understanding of the Church’s moral teaching which calls us to a consistent and real respect for all human life. All are invited. Please join us.

**The Gospel of Life, Living a Consistent Ethic of Life – Father Art Heinze**

Our Church teaches that all life is sacred from the moment of conception through natural death. God alone is the Lord of life from its beginning until its end; but in an age when we can do almost anything, how do we decide what we ought to do? The even more demanding question is: In a time when we can do anything technologically, how do we decide morally what we never should do? What does it mean to live with a consistent ethic of life?

**Fearfully and Wonderfully Made, What They Didn’t Tell You in Sex Ed – Vicki Thorn**

Presenter Vicki Thorn, founder of Project Rachel, will raise our awareness about how wonderfully we are made, explain how we are changed in sexual intimacy, how women and men are changed by pregnancy, and how interconnected we are as members of the human family. Come and be prepared to be amazed!

Vicki Thorn is the foundress of Project Rachel, the Catholic Church’s healing ministry to those who have been involved in abortion, and the executive director of the National Office of Post-Abortion Reconciliation and Healing.

MINI-WORKCAMP
Planning starts Monday, January 10th from 6:30-7:30/8:00 PM at Christ Our Savior. Christ Our Savior is located on Silver Spring Drive next door to Templeton Middle School. Any adults and youth 7th grade or older that would like to help us plan for this day are welcome to join us on the 10th.

The date this year for Mini-Workcamp is April 16th. Mini-Workcamp is a day long project for the Cooperating Churches in Sussex where adults & teens from the CCOS parishes do spring clean up for area senior citizens. We usually meet once a month (3-4 times) to plan & prepare for this event, and to make sure all of the details are covered. If you have any questions about Mini-Workcamp feel free to call Diana at 253-2902. If you want to help with the planning simply show up on January 10th at Christ Our Savior. We need help from as many adults and teens as possible for this large event so we hope you can join us!

ADULT CONFIRMATION
If you are a Baptized Catholic who celebrated your First Communion BUT not the sacrament of Confirmation, please come to classes beginning Sunday, January 30 from 11:30 AM to 1 PM at St. Mary’s in Menomonee Falls or on Wednesday, February 2 from 7-8:30 PM at St. Agnes in Butler.

This is a collaborative effort, so this year there will not be any classes held here at St. James, but you are asked to attend at one of the other sites. Personnel from St. James will help with the classes. Please call S. Carol Ann to register or to answer questions. 262-253-2915 or email her at scajaeger@archmil.org.

"The Waukesha Overflow Shelter awaiting the arrival of the homeless guests on a frigid December night. St. James parishioners have generously donated bedding and other supplies. Thank you for your generosity."

WASHINGTON (December 3, 2010)—In a letter to Congress December 2, Coadjutor Archbishop Jose Gomez of Los Angeles, chairman of the United States Conference of Catholic Bishops’ (USCCB) Committee on Migration, called on Congress to pass the Development, Relief, and Education for Alien Minors Act (DREAM), calling it “the right thing to do.”

The DREAM Act would provide a path to citizenship for thousands of young persons without legal status who were brought to the United States as children by their parents. Under the legislation, young people who complete two years of higher education or two years of military service would be eligible for legal permanent residence and eventual citizenship.

The USCCB has long supported the DREAM Act, as well as comprehensive reform of the nation’s immigration system.

“There are times when a proposal should be enacted because, simply put, it is the right thing to do. This is one of them,” the Archbishop said. “The DREAM Act represents a practical, fair, and compassionate solution for thousands of young persons who simply want to reach their God-given potential and contribute to the well-being of our nation.

The DREAM Act would make a difference in the lives of undocumented youth who were brought to the United States by their parents and now, because of their lack of legal status, face obstacles to their future. By removing such barriers, the DREAM Act permits immigrant students to pursue a promising future through college education or military service. Those benefitting from the DREAM Act are talented, intelligent and dedicated young people who know only the U.S. as their home.

The US Conference of Catholic Bishops Supports Comprehensive Immigration Reform that will insure:

- Family reunification and emphasis on family unity;
- Restoration of due process and humane enforcement of our immigration laws
- Creation of avenues for migrants to come here legally and safely to work
- Development assistance and fair competition that address the root causes of migration
- An opportunity to pursue citizenship for the undocumented in the country

Human Concerns 5th Sunday Priority Relationships – Hebron House of Hospitality

By now you know the St James Priority Relationship Organizations serve the poor, homeless, handicapped and elderly. We focus on these relationships to help these local organizations and to create awareness within St James for volunteer opportunities.

The St James Priority Relationships include:

• Local: ~ St Vincent de Paul
• Sussex Area ~ Outreach Services
• County: ~ Interfaith Senior Programs
  Hebron House of Hospitality
• Milwaukee: ~ St Bens Meal Program
  Repairers of the Breach

This January’s fifth Sunday of the month will focus on the Hebron House of Hospitality in Waukesha. Anita Fabos will be speaking at all our masses the weekend of January 29th/30th. Here’s a little preview of the Hebron House.

Hebron House of Hospitality

Mission Statement:
To Provide emergency housing and related services to people in transition with the basic needs of shelter, food and personal support.

The Hebron House of Hospitality started serving Waukesha County in 1983 and continues to play a major role in fighting homelessness. There are 3 shelters in Waukesha that provide emergency shelter, food and support services free of charge to the homeless. While staying in the shelters, guests work on obtaining permanent housing, employment and goals to help stabilize their lives.

Hebron House & Siena House are shelters for families and single women. Jeremy House Safe Haven is for single adults with mental health issues. In 2009, Hebron House served 1,971 individuals; 92% are the working poor & 836 were children. The shelters provided 22,545 nights of shelter and 67,635 meals. Hebron House also assisted over 500 households with case management, no-interest loans, and expediting supplemental security income.

How Can You Help?

Ask what is needed in donated goods and services to benefit guests in the shelters.
Engage: in advocacy support plans that create affordable housing. Share your concerns with public officials, neighbors, family and friends.
Educate: yourself, your family and friends on the issues of homelessness.
Donate: our time, your money and your skills to help those in need.

Some specifics: Most anything you need for your house, Hebron House can use in their house. Paper products, Personal Hygiene, Baby needs, Clothing/Linens, Plastic/Aluminum wraps, Household cleaners/household items, Furniture/Kitchen items, gift cards and food.

In addition to physical products, the most fundamental support is to volunteer. Hebron House is committed to placing individuals into a volunteer setting that best matches your interests and talents with the needs of their organization. Some volunteer opportunities: Adult support, Errands, Household tasks, Light maintenance, Youth activities, Clerical tasks & the Preparation of Food for either drop off or actual preparation in the shelter.

For more information, you can contact Anita Fabos from Hebron House @ 262-549-8720, afabos@hebronhouse.org or visit their website http://www.hebronhouse.org/ or contact Tom & Toni Bohmann from St James @ 262-628-8323.

Thank you for your recent donation of $500 to the Bread of Healing Clinic. We are deeply appreciative of your contribution.

We thank you for your commitment to our mission of improving the health of the uninsured in our community. The Bread of Healing Clinic works to advance this mission every year. Because of donations like yours, we are able to service more than 1000 patients in 4,500 patient visits between January and October of this year. The patients who come to our clinics receive high quality patient care, including free education, medications, and labs for illnesses like diabetes, hypertension and heart disease. ..

Sincerely,

Dear Friends,

On behalf of the Board, staff and especially those we serve at the Guest House of Milwaukee, thank you for your generous gift of $500.

In 2009, our outcome for maintaining housing was 95% compared to the national average of 71%. These results are only possible with a combination of dedicated staff, individuals who are ready to do what it takes to make positive changes in their lives and the great support of donors and friends.

"Lord, teach us to number our days aright
That we may gain wisdom of heart."

Psalm 90

As we enter the new year of 2011, on behalf of the Health Ministry at St. James, I wish you each abundant blessings, especially the blessing of good health. May you have VISION to see what is possible and FAITH that will pave the way for a PRESENT THAT IS HOPEFUL and a FUTURE THAT IS PEACE-FILLED!

During the cold and flu season, I want to share some tips for staying healthy!

Why Wash?
- Many outbreaks of food borne illness are traced to unwashed or poorly washed hands.
- Sneezing and coughing can spread cold germs into the air, but most colds are caught and spread through germs on people’s hands.
- The germs that cause the flu, SARS, hepatitis A and many kinds of diarrhea can also be picked up and spread by your hands.
- If these germs are on your hands, touching your mouth or nose to eat, sneeze, or cough can make you sick.
- Touching a doorknob, pressing an elevator button, grabbing a pole on public transit or shaking hands can spread germs to others.

How To Wash:
- Just rinsing your hands isn’t washing them, it’s wetting them. To get them clean you need to use soap.
- To make sure your hands are really clean, scrub your palms, between your fingers, the backs of your hands and under your fingernails for at least 20 seconds. (sing the “Happy Birthday” song).
- Use regular soap. Antibacterial soap isn’t necessary. These soaps do kill bacteria, but antibacterial soaps may contribute to the growing problem of antibiotic resistance.
- After rinsing, dry your hands with a paper towel, and use the same paper towel to turn off the water and open the restroom door.

When To Wash?

Before you:
- Touch or serve food … Eat or drink
- Put in or take out contact lenses
- Treat a cut, scrape, burn or blister
- Take care of someone who is sick

After You:
- Go to the bathroom or help someone else use the bathroom
- Change a diaper (wash the baby’s hands too!)
- Cough, sneeze, blow your nose or wipe a child’s nose
- Handle uncooked food, especially raw meat, poultry, fish or eggs
- Handle garbage
- Touch an animal, especially a reptile, or clean up animal waste
- Take care of someone who is sick or injured
- Use public transportation

Use Soap
Wash Often
Wash long enough — don’t rush

As always, please call me if you have a friend or loved one in the parish who is unable to come to church and I will be happy to visit them and share the Eucharist with them.

We also provide meals for those parishioners who are dealing with medical issues. This can be done on a short term basis.

We thank our wonderful Meal Donors, Blood Pressure Screeners and the Health Ministry Committee who help and support the St. James Health Ministry and me as Parish Nurse.

We believe in the healing mission of promoting wellness by nourishing the mind, body and spirit of our parishioners.

Blessings,
Ann Sardegna, Parish Nurse
