In a continuing effort to increase awareness about the St James Priority Relationships, we’re featuring Interfaith Senior Programs out of Waukesha for this Newsletter. As part of this focus, Interfaith will be speaking at all our Masses the weekend of August 28th & 29th.

The Mission of Interfaith Senior Programs is simple: **Responding to community needs through volunteerism.**

Interfaith Senior Programs is a faith-based, community-centered nonprofit organization serving Waukesha County, Wisconsin. Major programs include the Retired and Senior Volunteer Program (RSVP) and the Faith in Action Program. There are service opportunities for all ages between these two programs that also provide services to all ages.

**Faith in Action** assists senior and adults with disabilities in remaining independent in their homes by organizing volunteers to provide neighborly services. Clients are age 60 and over or age 18 and over with a disability residing in Waukesha County. Services are provided free of charge.

**Faith in Action Services Include:**
- Transportation – volunteers take clients to and from medical appointments, grocery stores and food pantries.
- Safety & Security – volunteers assist clients with minor home maintenance; snow removal, seasonal outdoor yard & house chores; and keeping track of forms, letters and bills.
- Caregiver Support – staff and volunteers provide assessment and referral service, non-medical respite caregiving, friendly visiting, telephone assurance calls and care management assistance. Holiday Basket Program – volunteers of all ages assemble and deliver baskets filled with basic sufficiency items to low-income Waukesha County neighbors.

**RSVP (Retired and Senior Volunteer Program)** is a nationwide Senior Corps volunteer program that invites individuals age 55 and over to use their wisdom, experiences and skills to assist nonprofit and government agencies. RSVP volunteers fill critical Waukesha County needs, including nutrition, housing, transportation, education, health-care and social isolation.

**RSVP Programs Include:**
- Volunteer Placement Program – places motivated and talented volunteers in diverse organizations to address the most pressing community needs.
- Seniors and Students Programs – assist elementary school students in the Hamilton, Menomonee Falls, Arrowhead and Waukesha school districts to develop the reading, math and writing skills by working with caring senior volunteer tutors.
- Needlecraft Program – volunteers knit, sew or crochet thousands of items that are donated to non-profit agencies, schools, nursing homes and hospitals in Waukesha County.
- Senior Resources Project – connect rural seniors with local volunteer opportunities in the Eagle, & Dousman areas, reducing isolation and prolonging health and independence. Intergenerational Folk Art Fairs – a fun learning atmosphere promoting positive interaction between students and senior volunteers.

**Volunteers Make an Impact:** Interfaith Senior Programs’ volunteers enhance quality of life in Waukesha County by sharing a lifetime of skills and through simple acts of caring and compassion.

For more information regarding volunteer opportunities or services that may be needed, you can call Interfaith directly @ 262-549-3348 or Tom Bohmann @ 262-628-8323 who is a member Human Concerns Ministry at St James.

NEW THIS YEAR

You can register online and make your payment through PayPal! If you prefer registration can be downloaded from St. James website or blog and mailed. Please remember that a $25 payment towards your fees and your volunteer form are requested when you register.

The same registration form will be used to register for both the Traditional Christian Formation Program and the GIFT program. The Traditional Program serves children and youth in K4 thru 11th grade. The GIFT program is for all ages – couples, individuals and families who want to Grow In Faith Together, with the exception of 11th graders who would need to attend the traditional confirmation classes!

Registration forms will also be available at the Information booth in the Gathering Area after masses and in the Christian Formation Office during the week. In order to get the Early bird Registration Fee your form would need to be in no later than July 15th. The Christian Formation Staff will make themselves available to take registrations, answer questions, and make forms available at Walk-In Registration on the weekend of July 10th and 11th after all Masses as a reminder that the deadline is approaching.

Classes fill up on a first come, first serve basis so don’t wait to register. If you have any questions after looking over the registration information don’t hesitate to call us at 251-0897. To register online or download your form, please go to the St. James website: www.stjames-parish.net

CHRISTIAN FORMATION CATECHISTS ARE NEEDED:

Catechist Sign-Up will be ongoing throughout the summer! We are looking for parishioners who would be willing to share their faith with our children and youth by teaching classes. We have numerous grade levels ranging from K4 to 11th grade, as well as various days and times to choose from. The only qualifications would be that you enjoy working with young people and have a willingness & commitment to share your faith with them. If you are interested in teaching, co-teaching or aiding a Christian Formation class, please stop by or call the Christian Formation Office at 251-0897.

The catechist sign-up board will be available beginning the weekend of July 10th & 11th at our Walk-In Registration so please stop by and see where your help is needed. Everything needs to be in place over the summer as preparation for classes begins the week of September 19th. Lesson Plans, materials and classroom space are provided as well as support from our Christian Formation Staff. This is a large program, so many volunteers are needed. Last year we had 87 catechists and aides to teach 760 students in the traditional program and we would expect that our numbers this year will be comparable. There are also another 178 children and youth in the GIFT program that could use a catechist for their once a month sessions.

We hope you will consider sharing your faith in some way with our young people and keep an eye on the catechist board throughout the summer. September will role around much too quickly for all of us I’m sure, and there are a lot of spots to be filled in before that happens

During this summer season of 2010, I would like to share some ideas with you about skin health and the prevention of skin cancer. Most people enjoy time in the sun during July and August, but the proper precautions to prevent skin damage from the sun are a key component for the maintenance of good health.

Recently, I read an article that discussed this topic. Here are some facts worth sharing that have been compiled by the Skin Cancer Foundation:

- Skin cancer is the most common form of cancer in the United States. More than 3.5 million cases in 2 million people are diagnosed annually.
- Each year there are more new cases of skin cancer than the combined incidence of cancers of the breast, prostate, lung and colon.
- One in five Americans will develop skin cancer in the course of a lifetime.
- Basal cell carcinoma (BCC) is the most common form of skin cancer; an estimated 2.8 million BCC’s are diagnosed annually in the United States. They are rarely fatal, but can be highly disfiguring if allowed to grow.
- Squamous cell carcinoma (SCC) is the second most common form of skin cancer.
- Basal Cell and Squamous Cell cancers are the two major forms of non-melanoma skin cancer. Between 40-50% of Americans who live to age 65 will have either skin cancer at least once.
- About 90% of non-melanoma skin cancers are associated with exposure to ultraviolet radiation from the sun.
- Contrary to popular belief, 80% of a person’s lifetime sun-exposure is not acquired before age 18; only about 23% of lifetime exposure occurs by age 18.
- Melanoma (skin cancer in deep layers of skin) accounts for about 3% of skin cancer cases; but it causes more than 75% of skin cancer deaths.
- The vast majority of mutations found in melanoma are caused by ultraviolet radiation.
- The survival rate for patients whose melanoma is detected early, before the tumor has penetrated the epidermis, is about 99%.
- One blistering sunburn in childhood or adolescence more than doubles a person’s chances of developing melanoma later in life.
- Melanoma is seven times more common between ages of 10-20 than it is between 0-10 years of age.
- Asian American and African American melanoma patients have a greater tendency than Caucasians to present with advanced disease at the time of diagnosis.

No matter what your skin type, everyone should follow these essential UV sun safety tips:

- Seek shade between 10 am and 4 pm.
- Use sunscreen or daily moisturizer with SPF 15 daily.
- Wear long sleeves and pants, a wide-brimmed hat and sunglasses.
- Sand, water, ice, snow reflect UV rays and increase your UV exposure by up to 80%.

For more detailed information regarding your specific skin type, protection and prevention of skin cancer, please consult the website listed below.

Some Thank You's received from recipients of our monthly Tithing program

This letter is in appreciation of the donation of bibles, books, and stationary, that was delivered by Paul Schneider … Know that the men and women love reading new materials weekly. The rosary beads are not allowed or any symbols that maybe used as a weapon in the living areas. Please let everyone who donated, that reading makes a day more pleasant for those who have nothing to do but play games and watch TV. The Chaplaincy department thank you for helping us present Jesus to those who know Him as well as those who are not acquainted with Him at this time.

Blessings to all of you

On behalf of all the prison chaplains and ministries we support, and the thousands of Catholic inmates in the 715 jails and prisons we are currently serving in 43 states, thank you for your generous tithing contribution of $500.00.

Your gift will provide Catholics in prison with the faith and scripture resources needed to rebuild their lives on a strong spiritual foundation. It also means so much to inmates to realize that they are not forgotten by their fellow Catholics. You have touched their lives with new dignity and hope...

Please remember to pray for the success of all our projects, as well as the inmates, the victims, and the families of both who also suffer the consequences of crime. Also, please remember the chaplains and prison officials whose work is stressful and often goes unrecognized by the community.

With Christ among the incarcerated,

On behalf of Casa Romero Renewal Center, I want to gratefully acknowledge receipt of your parish’s generous donation of $500.00.

We are most happy to enjoy your partnership with our ministry here on the near south side. In our work with teens and families, we are continually consoled by the wonderful fruit our programs bear. As a recent visitor to one of our mother-daughter retreats said: “I was amazed at the difference in the demeanor in the women and girls from the time of their arrival to the days end. The greater openness and improved communication was palpable and wonderful to experience.” It is our conviction that building stronger Christian families will build a stronger, more just Milwaukee. Thank you for being part of it!

Sincerely in Christ,
David M. Shilds, SJ
Director

Please accept our sincere expression of appreciation for the congregation’s gift to St. Joseph’s Medical & Dental Clinic. St. Joseph’s Clinic enables poor & uninsured residents of Waukesha County to receive medical & dental services …

We are very grateful for your congregation’s donation of $500 to Interfaith Senior Programs. We value your on-going assistance in affirming our mission of responding to community needs through volunteerism.

Thank you again for your generous support. For more information on Interfaith Senior Programs, contact Marie Honel at (262) 549-3348, ext. 225 or visit our website at www.interfaithwaukesha.org

Dear Friends,
On behalf of the residents, staff and Board of Directors of St. Catherine Residence, I thank St. James Parish for your generous donation of $500 as part of your tithing program.

Your gift allows us to support women struggling to meet the challenges of poverty, behavioral health, domestic violence and addiction issues. Their choice to live at SCR is a first step to meeting basic needs, setting goals and pursuing a healthier and self reliant lifestyle.

Please consider visiting us. We are always ready to share our story.
