# *2<sup>nd</sup> Sunday* IN ORDINARY TIME

Jesus said to her, "Woman, how does your concern affect me?  
My hour has not yet come." - Jn 2:4

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

"Being everyday stewards means to be mindful of the gifts God has given us in all aspects of life and to act in ways that give glory to Him. This is easy when we look at the more profound actions in our lives, such as participating in a parish service project or raising money for the poor.

But God is just as present to us in the ordinary and everyday aspects of our daily lives."

Tracy Earl Welliver, MTS, Everyday Stewardship: Reflections for the Journey

## Messages from our PA

- Instead of focusing upon this weekend's Scripture readings in my column today, I'd like to share some reflections as we enter the time of the church year called **Ordinary Time**. The church does not mean to indicate that this time of the church year is any less important to the salvation story, or that it is *ordinary* in the sense of being unspectacular, mundane, or boring. Rather, in church parlance, the word *ordinary* indicates that the weeks between the Christmas and Lenten seasons, and the Scripture passages during these weeks, are *intentionally ordered in a specific succession for the benefit of the whole church*.
- So in the true spirit of Ordinary Time, I am mindful, thanks to a youtube link that I received from a parishioner last week, that God is present in all the everyday things...and that sometimes we're so caught up in our "to-do's" that we forget who we are and where we're from...
- The video inspired me to pray that each of us will have multiple moments of God's bountiful blessings in every day, every hour, every breath, as Gerard Manley Hopkins penned so well: "The world is charged with the grandeur of God!" And that those ordinary moments (which fill up our "Ordinary" time) will fill us with the sense of God's extraordinary love, power, life, creativity, compassion, and grace. Praise God!
- From **January 18 through January 25**, Christians throughout the world will join in a very special week of prayer called the ***Week of Prayer for Christian Unity***. This week of prayer was established in 1908, and the dates were chosen so that the week ends on the Feast of the Conversion of Saint Paul. The Week of Prayer actually consists of eight days—an *octave*—which always designates a very special time of prayer and celebration in the life of the Church.

**An ecumenical prayer service will be held in the St. James Historic Chapel on Friday, January 25<sup>th</sup>, at 7:00 pm, lasting about a half hour.**

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at [wolfg@archmil.org](mailto:wolfg@archmil.org).

### A Note from Brigitte Glinski, Parish Nurse

Carbon Monoxide is an odorless, colorless, and tasteless gas that can be emitted from cars, trucks, grills, fireplaces, furnaces, or any fuel burning appliance. If it builds up quickly in an enclosed space, the gas can become deadly.

Signs of carbon monoxide poisoning are: headache, fatigue, shortness of breath, dizziness, and nausea. If you have prolonged exposure symptoms also include: vomiting, confusion, loss of coordination, loss of consciousness, and death. If you suspect carbon monoxide poisoning, go outside immediately. Call for emergency, and do not go back inside your home.

#### CARBON MONOXIDE (CO) POISONING

To reduce your risk of carbon monoxide poisoning, make sure you have a working carbon monoxide detector in your home, and make sure to check or replace the battery regularly.

From Mayo Clinic Health Letter (Jan 2019) Carbon Monoxide: Preventing Poisoning

## **HUMAN TRAFFICKING MINISTRY - UPDATE**

Trafficking of human persons is the buying and selling of people for any purpose, including sex, prostitution, forced marriages, servitude and forced labor.

**SEE SOMETHING, SAY SOMETHING!** How often do we see something suspicious and walk away? I know that I am guilty of it, but I am learning what to watch for. In our current day in history, we are surrounded by different social media, i.e. facebook, instagram, twitter, only to mention a few.

Young children are befriending the “bad guys”. One such story of 2 young girls in 2018 trying to board a flight by themselves, said they met a man named “Drey” on Instagram who offered them a weekend in New York to model in a music video! They were going to be paid 2,000.00. NO THEY WERE NOT! The ticket attendant saw this and contacted authorities, saving these two girls! This is a story repeated over and over in various areas around our country, including in our own backyard! If we can be aware, we can do something!

Call the authorities if you see something suspicious! Creating a balance to our children that there are good and not good in the world is a hard conversation to have. Our very nature is to trust, and the young are the most vulnerable, we must be their eyes and ears in some situations. Watch your children and grandchildren, who they play with and who they befriend.

If you want to know what you can do, please consider learning more and possibly getting involved. Meetings at St. James are first Wednesdays of every month at 6:00 p.m. and last one hour.
