Connected for Good: A Gameplan for a Generous Life

Messages from our PA

Dear Brothers and Sisters in Christ,

With my recent health issues, I have been reminded of the powers of prayer and faith. Christ's presence in our lives is not a protective shield that can keep us from all harm. We still experience the human realities of physical illness, relational tensions, and spiritual struggles.

However, the assurance of Christ's presence empowers us to persevere in the knowledge that we are never alone, and we are promised the hope of eternal togetherness with Him.

I thank all of you for your prayers and support. Knowing how many people in the communion of saints and the Body of Christ were entrusting me in their prayers to the Lord is truly humbling and strengthening. It underscores the primacy of Love. God's love is the living water that never runs dry... We are blessed to be enlivened, sustained, and refreshed with it. Your love and prayers for me were a palpable source of strength—again, I say “Thank You!”

I hope that my experiences of physical pain, hospitalization, and vulnerability will shape me to be more Christ-like—that I will be able to more readily identify with the sufferings of others, and that I will be aware of and respond to those who are in need of Christ's healing touch.

As we enter the new year of 2019, may we all find hope in knowing that Christ is ever with us, whatever our trials may be. His Peace to all,

Gerry

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

FIELDS OF HOPE AND DREAMS and HOLY GROUND GARDEN

Happy New Year! And with the start of the new year, volunteer gardeners are turning their attention to spring planting. Already??? Yep! Think spring to help clear those wintertime blues. There may be more snow to come, but the planning needs to start, which helps alleviate the effects of those gloomy overcast winter skies. Seed catalogues start to show up after Christmas and increase in number throughout Jan./Feb.

Our volunteers start to get antsy after their holiday respites. Not only will we start planning the three gardens (Field of Dreams, Field of Hope, Holy Ground Garden), we'll plan for our annual spring Plant Sale a week before Memorial Day. And to accomplish both of those tasks we start planning and organizing volunteers to start seedlings indoors, which occurs sometime in early March. For now, placing seed orders is top of the list, so we can obtain the variety of seeds we desire. Some of the seed suppliers run out of the "good stuff" quickly.

So, if you'd like to get involved in the planning or volunteer to start seeds indoors in your house sometime in March please contact us. Last spring, we had several reports from parents of children starting seeds and watching them grow in sunny spots indoors. The kids got excited watching the new seedlings break the soil and start to develop leaves as they reach for the sun. What a good way to get children started with gardening and divert their attention away from "the screens" be it cell phone, computer, or TV. And they learn the how and where their food comes from. A great hobby that will serve them well over a lifetime.

So, as we look forward to our 11th year of community gardening here at St. James and another year of supplying the Cooperating Churches of Sussex (CCOS) food pantry with fresh produce, we ask that you once again support our efforts in whatever manner you choose. For more information or to volunteer, call: (414) 587-1202, or email: pschneider@wi.rr.com. Let's hope and pray 2019 is a productive year in the gardens.

A Note from Brigitte Glinski, Parish Nurse

A memory screen is a wellness tool that helps identify possible changes in memory and cognition. It creates a baseline of where a person is at so that future changes can be monitored. Early detection is as important as a screening for blood pressure, diabetes, or stroke. During the screening process an individual will get immediate results from their screen, receive information about dementia and Alzheimer's disease, ask questions directly to a Dementia Care Specialist, and learn about brain health and ways to stimulate your brain.

There are several Community Memory Screens coming up in the next few months:

- Brookfield Public Library January 31, 2019
9:30am-1:30pm
- Hartland Public Library January 17, 2019
9:30am-1:00pm
- Menomonee Falls Senior Center April 3, 2019
9:00am-4:00pm

Mark your calendar to attend one the memory screens listed above.

Powerful Tools for Caregivers

Designed specifically for family caregivers who care for elderly or special needs person, this 6 week focused workshop empowers caregivers to improve self care. Caregivers will learn how to reduce stress, improve communication, set action plans and solve problems. It offers solid information on hiring some help, dealing with financial concerns, overcoming depression, making decisions, and working with memory impairment. After completing this course many participants report that they were able to overcome the challenges that arise with caregiving.

Program is hosted by Waukesha Aging and Disability Resource Center. If you are in need of respite care, please call Trish Golden at 262-434-1248.
