LENT 2019: GOD INVITES US TO

CHRIST-LIKE

RADICAL
BEHAVIOR

Matthew 25 | God's Invitation to Us: Christ-Like Radical Behavior

"I prefer a Church which is bruised, hurting and dirty because it has been out on the streets, rather than a Church which is unhealthy from being confined and from clinging to its own security. I do not want a Church concerned with being at the centre and then ends by being caught up in a web of obsessions and procedures. If something should rightly disturb us and trouble our consciences, it is the fact that so many of our brothers and sisters are living without the strength, light and consolation born of friendship with Jesus Christ, without a community of faith to support them, without meaning and a goal in life. More than by fear of going astray, my hope is that we will be moved by the fear of remaining shut up within structures which give us a false sense of security, within rules which make us harsh judges, within habits which make us feel safe, while at our door people are starving and Jesus does not tire of saying to us: "Give them something to eat" (Mk 6:37).

Pope Francis

Next weekend: I was thirsty and you gave me something to drink...

BRING: drink items for Sussex and St. Martin de Porres food pantries

Especially: Juice in plastic bottles preferably 64 oz

TAKE A LEAP OF FAITH:

Be open to **God's Invitation** by taking a **Leap of Faith** Corporal and Spiritual Work of Mercy card from **the pedestal** on the altar. How is God inviting you to **Christ-Like Radical Behavior** during Lent this year?

Messages from our PA

- I couldn't help hearing the 1st Reading from Deuteronomy this weekend and relating the experience of Moses and the Israelites offering the firstfruits of the soil to our own offerings of bread and wine during the Eucharist. They made their offering with the specific recollection of their shared story and God's presence and action within that story. Shouldn't we also, when we bring our gifts to the altar, acknowledge how God has been present and active in our personal and collective life stories? Shouldn't we be aware that our stories are a thread in the fabric of "salvation history", God's unfolding story of Creation? Shouldn't we be mindful and grateful that in the Eucharist, Christ, the risen One, the Word from the beginning, who makes all things new, continues to approach us in a most intimate way?

We would like to extend our greatest appreciation for the outpouring of support by St. James staff and parishioners from the family of Ed Laird, who passed away in mid-February. Your love and encouragement has strengthened us during this difficult time and we are forever grateful.

Stations of the Cross Offered for Lent

Pastoral Associate Gerry Wolf invites parishioners to pray the Stations of the Cross with him this Lent. They are scheduled for three Friday evenings, **March 8th, March 22nd, & April 5th**. They will be held in the Historic Chapel, beginning at **7:00 pm**, and lasting 30-45 minutes. Let us pick up our daily crosses to walk with our Brother and Lord, Jesus Christ, in His journey through death to new life!

Fasting & Abstinence -

Customarily, fasting required that a person take only one meal a day, but current Church discipline permits one to take a main meal and two lesser meals which together do not equal the main meal.

All persons who have reached their 14th birthday are bound by the law of abstinence. All adults are bound by the law of fast from their 18th to their 60th birthday.

Ash Wednesday and Good Friday are days of abstinence from meat and meat products as well as days of fast.

The other Fridays of Lent remain days of abstinence from meat and meat products.

The Fridays of the year outside Lent remain days of penance, but the traditional abstinence from meat may be substituted with some other practice of voluntary self-denial or personal penance. This may be physical denial, self-restraint or acts of religion, charity or Christian witness.

A note from Brigitte Glinski, Parish Nurse

One of the best ways to prevent illness is to wash your hands often, and well. As we move through our daily life we pick up germs-preparing food, taking out the garbage, or using the toilet-by washing our hands we prevent transferring these germs to our eyes, mouth, or other people. In order to gain the most benefit from washing our hands, follow these tips:

- Wet your hands with clean running water, the temperature doesn't matter.
- Lather well with liquid, bar, or powder soap.
- Rub your hands vigorously for at least 20 seconds-hum the happy birthday song twice. Make sure to get all surfaces: back of your hands, wrists, between your fingers and under your nails.
- Rinse well with clean running water.
- Dry your hands thoroughly, as wet hands are more germ-friendly than dry ones.

If you are not near running water and soap, use a hand sanitizer with at least 60 percent alcohol, making sure to wet your hands and rub until dry.

MISSION STATEMENT

St. James is a vibrant, welcoming Catholic Community Journeying towards the fullness of the Kingdom of God through worship, formation and service.

Transforming Men's Group:

**New Study on the Gospel of John
6:30-7:30am Every Friday
in the Great Room**

Men, Dads, Husbands...we invite you to join us Friday mornings as we begin a study of the book of John for the next 8-10 weeks. We are a group of fathers with kids ranging from wee littles to young adults. The study is for deepening our faith, whether as a beginner or experienced in the Word of God.

Our group's greatest success is that anyone can share on the topic, and it doesn't matter that it's your first time or 10th time with the group. We gather to encourage, support and share our faith experiences. We welcome you to join as we learn from the life of Jesus in the Gospel of John.

A Conversation about Sex Trafficking in OUR Communities

Tuesday, March 19 | 6:30 - 8:30 pm

Human trafficking IS modern day slavery and its happening right here in OUR Communities. Human Sex Trafficking is big business for organized crime and for local pimps. Its one of those crimes that is hidden in plain sight - meaning, most of the victims go to school, church and live in stable homes. It's hard to see they are even a victim. Research shows that the average age of recruitment into the commercial sex industry is 12-14 years old and that victims come from every race, ethnicity and socioeconomic background.

Come learn how youth and adults are being coerced into slavery, why they can't see their way out, and how we can keep our families safe.

Keynote Speaker: Theresa Flores - Best-selling author of "The Slave Across the Street," survivor of sex trafficking and nationally known advocate. Flores shares how she was enslaved at the age of 15 while living with unsuspecting parents in an upper middle-class suburb.

Local Perspective: Brad Schimel Waukesha County Circuit Court Judge, former Wisconsin Attorney General Paul Farrow: Waukesha County Executive
