## Matthew 25 | God's Invitation to Us: Christ-Like Radical Behavior

“No one must say that they cannot be close to the poor because their own lifestyle demands more attention to other areas. This is an excuse commonly heard in academic, business or professional, and even ecclesial circles. While it is quite true that the essential vocation and mission of the lay faithful is to strive that earthly realities and all human activity may be transformed by the Gospel, none of us can think we are exempt from concern for the poor and for social justice...”

## Messages from our PA

- The three Scripture passages this weekend point us to look beyond this life, don't they? *"Look up at the sky and count the stars, if you can."* *"Our citizenship is in heaven,...."* *"...becoming fully awake, they saw his glory..."* What a challenge it is to keep our perspective focused on the ultimate destination! Our life here is important and is a part of God's unfolding plan, yet we must remember that all that we are and all that we do is most relevant in the context of the completion of God's kingdom. In the story of the Transfiguration, Jesus gives Peter, James, and John a glimpse into that beyond. We also are given glimpses, especially in the celebration of the Eucharist, wherein the glory of God comes to dwell within us...

#### BANNS OF MARRIAGE

I Matthew Posillico & Victoria Higgins

*A Message from Deacon Mike to the  
Community of St. James*

Brother and sisters in Christ, together we have journeyed over the past 12 years. We have shared good times and difficult ones on that journey. You were with me when I had Lung Cancer in 2010 and supported and prayed with and for me when Betty died last year. I will always be grateful for your prayers and support.

I wish I had better news to share, but it seems that journey together may be nearing an end. Over the past few weeks you have seen me using a cane to get around.

I've had much pain in my lower spine and sciatic nerve. Recently, I had a pet scan to see what was wrong. The scan showed a growth on the L5 vertebrae pushing on the nerve. They did a biopsy on it and found it was cancer. In addition, they found the cancer originated in my Pancreas - (Metastatic Pancreatic Cancer) There is no real cure, but radiation can help shrink the growth on L5 and hopefully relieve the pain.

As long as I feel OK and can get around, I'll try to continue ministering to the wonderful community here at St. James, but there will be a time when I won't be able to continue. It could be as little as 2 months, 6 months or a year; only God knows when.

Please remember me in your prayers and I will continue to pray for all of you.

Yours in Christ.

*Deacon Mike*

We would like to express our sympathy to the families of **Michael Howard & Richard Kurylo**. May they find peace and happiness with our Lord Jesus in heaven.

**A Message from the Glafckes for the  
2<sup>nd</sup> Sunday of Lent**

[Four weeks ago, the Glafckes were in the Miami airport ready to board a flight to Port-au-Prince, Haiti, and then travel on to their mission assignment in L'Asile. Because of unrest in Haiti, their departure was postponed. On March 19<sup>th</sup>, they will learn from the Family Missions Company whether it is safe enough to go on to L'Asile or if they'll be assigned to another mission site. Below is a message from Matt and Katie to be shared with the St. James parish family.]

As we have had some extra time to prepare to serve in Haiti, we've prayed and listened to how the Lord might be calling us. The cold hard facts are bleak: Haiti is the poorest country in the Western Hemisphere. The people are hungry, naked and undereducated. The government is poor and corrupt. There is little to no infrastructure outside of the capital city, meaning roads, running water, and electricity are rare outside of Port-au-Prince.

What could one family possibly accomplish when facing such dire poverty?

Jesus. He is the answer.

We will offer the One who never fails, who never runs out, who never gives up, who is our hope, our greatest consolation and our salvation.

But how? Through being a living witness to the joy of the Gospel. Jesus is a real person and hope in Him is everlasting. Rather than simply reacting to the immediate needs, we have prayed and decided to offer a real relationship with Jesus first to those we encounter. We will never be able to alleviate the poverty that covers the land. But we are called to be salt and light to those we will come to know.

Our prayers now are for the people of L'Asile, for the Lord to set His Divine Appointments so that we might disciple others. Discipleship requires relationship. A relationship requires openness to growth, time shared, honest communication and trust.

How are you entering into a real relationship with Jesus this Lent? Do you dedicate quiet time for prayer? Do you praise Him when things go well? Do you share your worries and concerns with Jesus and listen for his voice to speak to your troubled heart?

**THANK YOU** to Kathy Kidman, John & Donna Dow and all the people that helped to set up the prayerful environment for Lent.

**ADORATION TAKES PLACE IN THE CHAPEL EVERY  
TUESDAY**

**Please consider joining us for prayer.  
Adoration closes with praying the Rosary  
from 4-5 pm.**

### ST. BEN'S MEAL PROGRAM

It is time for us to donate food for the St. Ben's Meal Program this coming **Wednesday, March 20th**. St. James' role in this ministry is to supplement a meatloaf & mashed potatoes/gravy dinner (supplied by Good Shepherd & St. Mary's).

We need parishioners to bring salads, fruits & vegetables of any kind & meat or seafood casseroles/pastas. Desserts are okay but they need to be fresh.

There is sufficient bread & rolls already provided. Our efforts either supplement the meatloaf dinner or provide an alternative for the homeless & poor.

You do not have to sign up to be a part of this ministry and can **drop your donations off any time between 7:30 am and 3:55 pm at St. James in the upstairs kitchen**. Items can be left on the counter or in the refrigerator of the upstairs kitchen any time before 4:00 pm as **our last driver leaves promptly at 4:00**. If you have questions or are interested in going down to help serve occasionally, please contact Jeff & Lynn Kenkel at 262-227-9862 or jkenkel5@gmail.com

**We strongly suggest that you use pans or dishes that can be thrown away if possible.**

### Anointing of the Sick

The Church has always prayed for the sick to be freed from pain and restored to health. Its pastoral care has its roots in the healing ministry of Jesus. The Lord was always aware of suffering and pain and responded with compassion and healing. The early Church continued Christ's healing ministry. In the Epistle of St. James we read, "Is there anyone who is sick among you? Let him summon the Priests of the Church. They should pray over him and Anoint him with oil in the name of the Lord."

**The Health Ministry of St. James will be holding Anointing of the Sick at all four Masses on April 6 & 7.**

We ask that if you would like to be Anointed that you sit in the first pew by the Sanctuary, which is reserved, your family may sit behind you in the reserved seating. Please stop at a table as you enter and our health ministers will give you a name tag to assist the Priests with knowing who is to be Anointed. It has become our tradition here at St. James to Anoint at our Masses so that the whole church community may take part in the healing ministry. All are welcome to assist with the laying on of the hands as our parishioners are being Anointed.

## **A Note from Brigitte Glinski, Parish Nurse**

Beets are the newest vegetable to become “trendy”. This is because they are known as a superfood, which means they are known for their benefit to health and well-being. There are some great ways to serve up this superfood, try beets in a salad, beet juice, or you can even buy beet chips at the local grocery store.

Beets really do live up to all the hype; they are a great source of potassium, fiber, and folate. Studies have shown that they have positive effects on heart health. Their red pigment, known as betalain, is an antioxidant. Antioxidants may help fight against the development of cancer and heart disease.

## **St. James Community Gardens**

Like many of the groups that make up St. James parish, the gardeners from the St. James Community Gardens are looking to welcome new members to our group. But before you consider joining us, you might like to know a bit about who we are.

We started about 10 years ago when a small group of gardeners convinced the parish council that a garden would be a good use of parish land. The idea was to create a garden that would help provide nutritious produce to the Sussex Food Pantry while being as self sustaining as possible. Permission was granted and a garden was created in the northeast corner of parish property. Eight raised bed were built and fenced in. It was aptly named "Field of Dreams".

A few years later another garden was created along the southern driveway. This gave us access to a different 'microclimate'. Instead of the shady area of our first garden, we now had a garden that received lots of sunshine suitable for a greater variety of plants. This one is named 'Field of Hope'. The church was now surrounded by Hope and Dreams.

The third, and largest garden came about after there were some retaining wall problems on the southern side of the church. After the new retaining wall was built, the gardeners were invited to create even more raised beds for growing produce. Because this area receives the water from the sacarium, it was named "Holy Ground". BTW the sacarium is a special sink in which the vessels used for communion are washed. This water does not go into the sewer, it drains directly into the ground.

Like any project, there were initial bumps along the way, but we have gradually worked out a system for planting, harvesting, washing and delivering the produce. And we invite you to join us in our mission of providing nutritious food for the clients of the food pantry. Our work is somewhat seasonal...no surprise there. Soon we will be looking for volunteers to help raise seedlings in their homes. Later we will need garden preppers, planters, harvesters and washers. If you are interested...start by contacting Paul using the information at the end of this article.

**And it's not too early to mark your calendars for our annual plant sale. We will have plants available for you to 'purchase' on the weekend of May 18<sup>th</sup> and 19<sup>th</sup>. More information will be coming soon.**

**If you have any questions or comments, feel free to contact Paul Schneider at (414-587-1202) or [pschneider@wi.rr.com](mailto:pschneider@wi.rr.com).**
