Matthew 25 | God's Invitation to Us: Christ-Like Radical Behavior

"Peace in society cannot be understood as pacification or the mere absence of violence resulting from the domination of one part of society over others. Nor does true peace act as a pretext for justifying a social structure which silences or appeases the poor, so that the more affluent can placidly support their lifestyle while others have to make do as they can. Demands involving the distribution of wealth, concern for the poor and human rights cannot be suppressed under the guise of creating a consensus on paper or a transient peace for a contented minority.

The dignity of the human person and the common good rank higher than the comfort of those who refuse to renounce their privileges. When these values are threatened, a prophetic voice must be raised. Nor is peace "simply the absence of warfare, based on a precarious balance of power; it is fashioned by efforts directed day after day towards the establishment of the ordered universe willed by God, with a more perfect justice among men".

In the end, a peace which is not the result of integral development will be doomed; it will always spawn new conflicts and various forms of violence."

(218-219)" *Pope Francis*

Messages from our PA

- This weekend's 1st Reading from Exodus, the story of Moses and the burning bush, is one of the most profound in all of the Scriptures. Within this story, God reveals His name, which in the Hebrew tradition, is never spoken aloud, out of reverence for the wonder and transcendence of God. What other name, in its utter simplicity and depth, could convey the abiding, eternal presence and power of God? *"God replied [to Moses], 'I am who am.' Then he added, 'This is what you shall say to the Israelites: I AM sent me to you.'"*
- **175 Alive** celebrates the 175th Anniversary of the first bishop of Milwaukee, Bishop John Henni, and his arrival in Milwaukee. Scheduled for **Saturday, May 4th**, the day will begin with a presentation by Archbishop Listecki and Dr. Lovell (president of Marquette University) at Pere Marquette Park starting at 10 am. From there, participants will process down Kilbourn Avenue to the Cathedral of St. John the Evangelist for Mass at 11 am. After Mass will be a family friendly celebration in Cathedral Square until 4 pm. Tours of the Cathedral, including the crypts, Live Music, Food Trucks, Sprecher Beer Truck, yard games, face painters and a 3-on-3 Basketball Tournament will be some of the activities for all to enjoy. *St. James is looking for families to represent our parish at this event by creating and displaying a parish banner. Contact Pastoral Associate Gerry Wolf at wolfg@archmil.org or 262-253-2213 if you're interested.*
- **2019 Men of Christ Conference, Saturday, March 30;** A Catholic conference for men of all ages. *"Be strong and steadfast; have no fear or dread of them, for it is the LORD, your God, who marches with you; he will never fail you or forsake you."* For more details and to register, go to: www.menofchrist.net/conferences/2019-mens-conference

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

BANNS OF MARRIAGE

II Matthew Posillico & Victoria Higgins

"Successful stewardship parishes help parishioners understand that we are called – now, today – to '...go and bear fruit that will remain.'"

The key to that understanding is encouraging Catholics to return the gift of Time to the Lord to strengthen their individual relationship with Him."

Calling Workers into the Vineyard, Archdiocese of Milwaukee

St. James' Weekly Tithes (Outreach)

Since the 1980's St. James has distributed a portion of its weekly income as a tithe for various outreach programs and organizations. We tithe \$900 twice a month. In March, \$900 will be donated to:

Open Door Café—Milwaukee. Serves those in need by providing hot mid-day meals, bag lunches and hygiene kits.

Guest House—Milwaukee. Provides shelter, housing, education, and services to homeless men who seek to transform their lives.

We would like to express our sympathy to the families of **Mark Pivotto, Michael Rawling, and Joan Engel.** May they find peace and happiness with our Lord Jesus in heaven.

Anointing of the Sick

The Church has always prayed for the sick to be freed from pain and restored to health. Its pastoral care has its roots in the healing ministry of Jesus. The Lord was always aware of suffering and pain and responded with compassion and healing. The early Church continued Christ's healing ministry. In the Epistle of St. James we read, "Is there anyone who is sick among you? Let him summon the Priests of the Church. They should pray over him and Anoint him with oil in the name of the Lord."

The Health Ministry of St. James will be holding Anointing of the Sick at all four Masses on April 6 & 7.

We ask that if you would like to be Anointed that you sit in the first pew by the Sanctuary, which is reserved, your family may sit behind you in the reserved seating. Please stop at a table as you enter and our health ministers will give you a name tag to assist the Priests with knowing who is to be Anointed. It has become our tradition here at St. James to Anoint at our Masses so that the whole church community may take part in the healing ministry. All are welcome to assist with the laying on of the hands as our parishioners are being Anointed.

"Scan to pay or give."

What is this QR code and why use it? When you scan this barcode-like QR code image with a smartphone's QR decoder, it will instantly connect you to the mobile version of our web page to conveniently schedule your monthly Stewardship donation(s). To individuals who are familiar with QR codes, it will provide a quick and easy way to access our web page without having to type out a long web address and locate your link.

FIELDS OF HOPE and DREAMS and HOLY GROUND GARDEN

Last Sunday on "Saint Patty's Day" - 21 garden volunteers picked up seed starting supplies and equipment to start germinating seeds in their homes. Volunteers are starting seeds for our three community gardens and our annual **Plant Sale** held on the weekend of **May 18th/19th**. Please mark your calendars and get ready for the tomato plants, marigolds and other vegetables and flowers.

With the recent rain, warming temperatures, and extended daylight, soil conditions have started to improve. You may have noticed green shoots (i.e. bulbs) starting to push their way up through the remaining snow and fresh soil. It always seems winter is slow to let go, but then suddenly spring arrives, and conditions change. Of course, everyone anticipates (with dread) that last surprising snowstorm when everyone wishes the sun and warmth are here to stay.

Each season is unique from year to year. That's what makes gardening a challenge. You have to be nimble and quick to change to the conditions. Atypically, this was an unusual winter. When in the past have you ever heard forecaster say: "polar vortex" or "bomb cyclone"? Yet, we heard these terms this winter for the extreme cold and wind we experienced. Unfortunately, due to the extreme cold over an extended period we lost our "Holy Honeybees". They just couldn't withstand the extreme cold.

Volunteers will be replacing the honeybees. As of this bulletin, the replacement bees are being rounded up in Florida and getting ready for their long truck ride up to Wisconsin to our local bee distributors. Depending upon temperature, the new bees will be housed in their colony here at St. James by late April or early May. They help pollinate the vegetation and flowers around the grounds. So, get ready, spring is here and activity is changing to more outside duties.

Thank you for supporting our community gardens. If you'd like to get involved, call or text: (414) 587 - 1202 or email: pschneider@wi.rr.com.

A note from Brigitte Glinski, Parish Nurse

Did you know that sugar has a specific metabolic effect on your body that causes weight gain? Even if your sweet tooth hasn't caused you to gain weight, it has put you at an increased risk for heart disease. There are hidden sugars in every aisle of the supermarket, even in products that sound healthy.

Look for these "hidden" sugars while you are shopping: Dextrose, Fructose, Galactose, Glucose, Lactose, Maltose, Sucrose, Corn Syrup, Dextrin, Maltodextrin, High-Fructose Corn Syrup, and Fruit Juice. There are others, but these are some of the most common hidden sugars.

Home Visits from our Parish Nurse

The Parish Nurse offers visits to our homebound parishioners to provide spiritual support along with health advocacy. In doing so, provides an important connection with the faith community of St. James, providing prayer and Eucharist. During the visit, we can discuss any health issues and appropriate education can be provided. The Parish nurse can also help to connect you with local community resource information. These visits are provided on an as needed schedule, and are not intended to take the place of monitoring by your doctor, but as an additional resource during a difficult time.

If you do not wish to have a home visit, but are in need of health counseling or referrals to community resources, please feel free to contact the Parish Nurse for a phone consultation.

If you or any parishioner you know could benefit from a visit with Brigitte Glinski, Parish Nurse, please feel free to contact her at glinskib@archmil.org, or 262-250-2663.
