FIRST COMMUNION

**CONGRATULATIONS TO OUR CHILDREN IN CHRISTIAN FORMATION
WHO ARE CELEBRATING THEIR FIRST COMMUNION
THIS WEEKEND & NEXT!**

Important News - New Mass Schedule

Celebrating lively Spirit filled liturgy at St. James is something we do well. In fact, before I came here, I was well aware of our reputation regarding good liturgy. I wish to do what I can to continue this rich tradition. Given this desire, I write to provide two announcements about summer masses, and masses for the rest of the year.

REGARDING SUMMER MASSES: We are once again going to a summer mass schedule for all of June, July and August. We will offer a 4:30 PM Saturday mass, and then have one Sunday morning mass at 9:00 AM. We do this because, during the Summer months, so many of us take needed time to travel and vacation to refresh ourselves, and thus have fewer than other months who typically come to summer Sunday masses. As we experienced last summer, having one Sunday morning mass helps fill the Main Church, and the increased attendance clearly adds to the energy level. Having the one Sunday mass also gives a much needed breather to our greeters, ushers, communion ministers, acolytes, music ministers, deacons and presiders, and others ministers and support staff needed.

REGARDING OUR SEPTEMBER TO MAY MASSES: With the desire to provide rich and inspiring liturgy all year long, in September we will continue to offer a 4:30PM Saturday mass, and offer the 8:15 and 10:30AM Sunday masses. We will keep this new three mass schedule through May. We will however eliminate the Sunday evening 5:30 PM mass. I remind those who will miss the 5:30 mass that we have 3 other masses, and we invite you to join us and celebrate Eucharist at those times.

This decision regarding the 5:30 mass was hard. Know that we took many months to pray, reflect and discern, had many conversations with both parishioners and key parish leaders, and conducted significant research. Though I am convinced that our new mass schedule is what is best for the parish, I understand that some will not care for it. I get that and I respect that. The decision was ultimately mine so please come to me if you wish to make comment. There are other factors that I am happy to discuss with any who desire further detail.

I am so proud of our clergy, music ministers, and liturgical ministers who did support the 5:30 mass over the past 6 years. I also thank of course those faithful who attended 5:30 mass. Well done good and faithful servants.

In closing, know I love this parish and all of you, and that I work hard every day to support you. I ask that, regarding this 5:30 mass decision, you support me in return which ultimately supports the parish. Remember, St. James has been and will continue to be a *“vibrant, welcoming Catholic community, journeying towards the fullness of the Kingdom of God through worship, formation and service.”*

Your brother in Christ

-Deacon Sandy

Messages from our PA

- This weekend we celebrate **Divine Mercy Sunday!** In the Gospel account of Jesus bidding Thomas to touch his transformed, yet still physically real, wounds, I am reminded of two beautiful prayers from the Divine Mercy chaplet, which I share below. For those who might not be familiar with the **story of St. Faustina and the revelation of the Divine Mercy devotions**, check out this website: www.thedivinemercy.org.
- *"You expired, Jesus, but the source of life gushed forth for souls, and the ocean of mercy opened up for the whole world. O Fount of Life, unfathomable Divine Mercy, envelop the whole world and empty Yourself out upon us. O Blood and Water, which gushed forth from the Heart of Jesus as a fountain of Mercy for us, I trust in You!"*
- *"Eternal God, in Whom mercy is endless and the treasury of compassion – inexhaustible, look kindly upon us and increase your mercy in us, that in difficult moments we might not despair nor become despondent, but with great confidence submit ourselves to your holy will, which is Love and Mercy itself."*
- How many of you, like me, have had numerous friends and family members suffer from and succumb to cancer? Last year, and hopefully this might become an annual event, St. James sponsored a team for the **American Cancer Society's "Relay for Life"**. If you and your family would like to join the St. James team to secure pledges and participate in this year's walk scheduled for Friday, May 31st & Saturday, June 1st; or make a donation; or just find our more details; contact Kristin Kebis, our St. James Coordinator of Child Ministry, at 262-253-2908, or at kebisk@archmil.org.

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

The Figarino family would like to thank the staff of Saint James for all of the help during the funeral for our beloved George Figarino. We appreciate all of the help from Deacon Sandy, Father Dennis, and all of the volunteers including the luncheon staff. We wouldn't have made it through the day without you.

Thank you,
The Figarinos

"Rejoice always. Pray without ceasing. In all circumstances give thanks, for this is the will of God for you in Christ Jesus."

1 Thessalonians 5:16-18

Wedding Hosts—A Wonderful Ministry

Please consider calling the parish office with a resounding "YES" I can do that.
Please call Diana at 251-3944.

St. James Community Gardens

Do you remember the nursery rhyme about "Mary, Mary, quite contrary"? When she was asked how her garden grew she said her plants grew "all in a row". While Mary may have been organized, the method of nicely arranging the garden as if the plants were file folders is being called into question these days. In fact we plan to mix things up a bit this year.

After chatting with other gardeners, we have learned some good 'dirt' about controlling pests naturally. It seems that these gardeners had some extra French Marigold plants and, having run out of room for them, decided to tuck them between the tomato plants. If nothing else, the marigolds would make the tomato bed look nice. No matter what their initial intent was, they discovered that their tomatoes had fewer pests that year, and each year after that as well.

We plan to give this system a try. So if you notice marigolds peeking out from beneath our tomato plants this year, it is not because we got confused or lazy. It is an intentional way of using nature to keep our plants healthy.

*** **In less than a month we will have plants available for you to 'purchase'. Our plant 'sale' is scheduled for the week-end of May 18th and 19th.** We hope to see you there.

If you have any questions or comments, feel free to contact Paul Schneider at (414-587-1202) or pschneider@wi.rr.com.

A note from Brigitte Glinski, Parish Nurse

Dry skin is the most common cause of itching in older adults.

Keep your skin healthy by:

- Keeping baths and showers short and warm, not hot— Hot water depletes your skins natural oils, keeping water at about 90 F can help minimize this.
- Cleansing gently— Use mild soap only on the face, underarms, genitals, hands and feet. Try brands such as Cetaphil, Dove, or Vanicream. Avoid aggressive scrubbing and lying in soapy water.
- Drying yourself gently-- Brush excess water off and gently pat or blot yourself dry with a towel.
- Moisturizing— Apply a moisturizing cream within a couple of minutes of bathing.
- Using a humidifier when the air is dry
- Protecting your skin— drink water throughout the day. Protect from dry winds.

HUMAN TRAFFICKING MINISTRY - UPDATE

Trafficking of human persons is the buying and selling of people for any purpose, including sex, prostitution, forced marriages, servitude and forced labor.

Quote from Pope Francis: “I have always been distressed at the lot of those who are victims of various kinds of human trafficking. How I wish that all of us would hear God’s cry: “Where is your brother?” (Gen 4:9). Where is your brother or sister who is enslaved? Where is the brother and sister whom you are killing each day in clandestine warehouses, in rings of prostitution, in children used for begging, in exploiting undocumented labor? Let us not look the other way. There is greater complicity than we think.

The issue involves everyone! This infamous network of crime is now well established in our cities, and many people have blood on their hands as a result of their comfortable and silent complicity.” Pope Francis calls each of us to not turn the other cheek. Human Trafficking is a big problem in every county, every community in Wisconsin. Milwaukee is often called the “HUB” and known as a school for “pimps”. It is so important that we learn the signs and make that call. Wouldn’t you want someone to do that if it were your daughter or son?
