Messages from our PA

- At our Tuesday morning mens' group this week, as we pondered this weekend's Scripture readings, a common theme kept emerging: ***In order for us to know God and to ascertain God's direction for our lives, we must LISTEN!*** As Jesus says in the Gospel, "*My sheep hear my voice...*" First and foremost, Jesus' Word from the Gospels is paramount. Then, we must listen for his voice in our hearts during prayer, both personal prayer and the shared prayer of Eucharist—Thanksgiving. We must also listen for a message in the daily goings-on of our lives—challenges at work, dynamics of family relationships, involvement in our local, national and global communities. "*In the beginning was the Word...*" John 1:1; "*Then God said...and so it happened.*" Genesis 1:6; "*The one who sat on the throne said, 'Behold, I make all things new.'*" Revelation 21:5

***God the Creator, Christ the Living Word,
and the Holy Spirit-Breath of Life
continue to speak,
let us have ears to hear...!***

- Speaking of our mens' group, **we invite any men of the parish who want to grow in their faith, in fellowship with other men, to join our Tuesday or Friday morning groups.** Both groups meet weekly, 6:30-7:30 am, in the Great Room of church, and would welcome your participation.
- Brew City Catholic** is your hub for events, ministries, and movements that invite **adults 18 through 20s & 30s** to encounter Jesus and His Church. Follow us on Instagram @brewcitycatholic. Check us out at **BrewCityCatholic.com**
- How many of you, like me, have had numerous friends and family members suffer from and succumb to cancer? ***Please consider supporting the St. James team for the American Cancer Society's "Relay for Life".*** If you and your family would like to join the St. James team to secure pledges and participate in this year's walk scheduled for Friday, May 31st & Saturday, June 1st; or make a donation; or just find out more details; contact myself or Kristin Kebis, our St. James Coordinator of Child Ministry.

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

COMMITTEE
COULD USE YOUR HELP
THIS SATURDAY, MAY 18
8 AM—NOON**

Our Spring Grounds Clean Up is scheduled for **Saturday, May 18 from 8:00 AM to Noon**. We hope you can come out and help...It's not hard work... just general cleanup after the winter thaw!! Many hands make the job easier and work load lighter!! If you have some time, please let Dave in the Maintenance Department know if you are able to help: 262-250-2660 or email: kenneyd@archmil.org.

ST. BEN'S MEAL PROGRAM

It is time for us to donate food for the St. Ben's Meal Program this coming **Wednesday, May 15th**. St. James' role in this ministry is to supplement a meatloaf & mashed potatoes/gravy dinner (supplied by Good Shepherd & St. Mary's).

We need parishioners to bring salads, fruits & vegetables of any kind & meat or seafood casseroles/pastas. Desserts are okay but they need to be fresh. There is sufficient bread & rolls already provided. Our efforts either supplement the meatloaf dinner or provide an alternative for the homeless & poor.

You do not have to sign up to be a part of this ministry and can **drop your donations off any time between 7:30 am and 3:55 pm at St. James in the upstairs kitchen**. Items can be left on the counter or in the refrigerator of the upstairs kitchen any time before 4:00 pm as **our last driver leaves promptly at 4:00**. If you have questions or are interested in going down to help serve occasionally, please contact Jeff & Lynn Kenkel at 262-227-9862 or jkenkel5@gmail.com

We strongly suggest that you use pans or dishes that can be thrown away if possible.

St. James' Weekly Tithes (Outreach)

Since the 1980's St. James has distributed a portion of its weekly income as a tithe for various outreach programs and organizations. We tithe \$900 twice a month. In May, \$900 will be donated to:

Casa Romero Renewal Center—Milwaukee. Inner city retreat center serving urban poor, especially the largely Hispanic South Side population.

Capuchin Community Services/House of Peace—Milwaukee. Provides food, clothing, and access to medical & legal services to the poor.

St. James Community Gardens

Our **Annual Plant Sale** is rapidly approaching (**May 18 and 19**) and we realize that May is a busy month. We are competing on your calendar with Mother's Day, First Communions, Memorial Day, Graduations, you name it. So how do we worm our way into your consciousness? (Yes, we used 'worm' intentionally.) Perhaps a musical jingle would do the trick. With that in mind, we invite you to enjoy the following jingle while singing the words to the tune of 'Twinkle, Twinkle Little Star'.

A one and a two and

*Big Beef and Brandywine tomatoes turning red,
Marigold and Zinnias from our garden beds,
Broccoli, Early Girls, Mortgage Lifters too,
Lacinato, Curly Kale growing just for you.
Red bells, egg plant, cucumbers and beans,
We grow the best plants you have ever seen.*

And with that humble attempt at jingle writing, we will now return to gardening.

Hope to see you at **the plant sale, May 18th and 19th** as we raise funds for the gardens and the CCOS Food pantry.

If you have any questions or comments, please call or text Paul Schneider at (414) 587-1202 or pschneider@wi.rr.com.

Wedding Hosts—A Wonderful Ministry

NEEDED— a few more "Happy, peppy people" to join our current ministers to assist and serve our wedding families.

One person has come forward so far, and we could use a couple more peppy people! It is a very happy time in their lives so all that is needed is a "smile" and willingness to help at the rehearsal and the day of the wedding.

Please consider calling the parish office with a resounding "YES" I can serve with my joy!
Please call Diana at 251-3944.

A note from Brigitte Glinski, Parish Nurse

In my note last week, I addressed ways to prevent falls by keeping your body healthy. This week's note will focus on how to prevent falls by making changes to your environment. Most falls are due to a combination of risk factors, we know that you can't change some of the risks (like aging!) but you can change a few things in your environment to keep you safer.

- Wear shoes that are non-skid, rubber soled and with a low heel. And don't go sliding around on socks; make sure your socks have rubber grips on the bottom.
- Look around your home and yard; do you have any items that you almost tripped on? Remove clutter and small rugs as well.
- Bathrooms are a common place to fall, make sure to have non-slip bath mats in both the tub and shower as well as outside. Have grab bars professionally installed next to the toilet and tub.
- Make sure to use caution on wet and icy surfaces.
- Go slow and use help. Use a cane or walker to give you something to hold onto when you are moving. A physical or occupational therapist can help you pick the right device for you.
