Important News - New Mass Schedule

Celebrating lively Spirit filled liturgy at St. James is something we do well. In fact, before I came here, I was well aware of our reputation regarding good liturgy. I wish to do what I can to continue this rich tradition. Given this desire, I write to provide two announcements about summer masses, and masses for the rest of the year.

REGARDING SUMMER MASSES: We are once again going to a summer mass schedule for all of June, July and August. We will offer a 4:30 PM Saturday mass, and then have one Sunday morning mass at 9:00 AM. We do this because, during the Summer months, so many of us take needed time to travel and vacation to refresh ourselves, and thus have fewer than other months who typically come to summer Sunday masses. As we experienced last summer, having one Sunday morning mass helps fill the Main Church, and the increased attendance clearly adds to the energy level. Having the one Sunday mass also gives a much needed breather to our greeters, ushers, communion ministers, acolytes, music ministers, deacons and presiders, and others ministers and support staff needed.

REGARDING OUR SEPTEMBER TO MAY MASSES:

With the desire to provide rich and inspiring liturgy all year long, in September we will continue to offer a 4:30PM Saturday mass, and offer the 8:15 and 10:30AM Sunday masses. We will keep this new three mass schedule through May. We will however eliminate the Sunday evening 5:30 PM mass. I remind those who will miss the 5:30 mass that we have 3 other masses, and we invite you to join us and celebrate Eucharist at those times.

This decision regarding the 5:30 mass was hard. Know that we took many months to pray, reflect and discern, had many conversations with both parishioners and key parish leaders, and conducted significant research. Though I am convinced that our new mass schedule is what is best for the parish, I understand that some will not care for it. I get that and I respect that. The decision was ultimately mine so please come to me if you wish to make comment. There are other factors that I am happy to discuss with any who desire further detail.

I am so proud of our clergy, music ministers, and liturgical ministers who did support the 5:30 mass over the past 6 years. I also thank of course those faithful who attended 5:30 mass. Well done good and faithful servants.

In closing, know I love this parish and all of you, and that I work hard every day to support you. I ask that, regarding this 5:30 mass decision, you support me in return which ultimately supports the parish. Remember, St. James has been and will continue to be a *“vibrant, welcoming Catholic community, journeying towards the fullness of the Kingdom of God through worship, formation and service.”*

Your brother in Christ
- Deacon Sandy

St. James' Weekly Tithes (Outreach)

Since the 1980's St. James has distributed a portion of
its weekly income as a tithe for various outreach pro-
grams and organizations. We tithe \$900 twice a month.
In June, \$900 will be donated to:

Dismas Ministries Inc.—Milwaukee. A Catholic
Outreach providing faith, prayer and scripture resources
to inmates, victims, their families, and the community.

Women's Center—Waukesha. Provides safety, shelter
and support to empower all impacted by domestic
abuse, sexual violence, child abuse and trafficking.

If you have a PYX from St. James at home

that you are no longer using,
would you please return it? We want to be sure to
have enough for those who are currently taking
Communion to the Homebound.

Thank you.

Messages from our PA

- There is one line in particular from this weekend's readings that grabbed my attention. In the 1st reading from Acts of the Apostles, as the controversy arises in the early church about whether or not Gentile Christians should be circumcised according to the Mosaic covenant, we are told "... *there arose no little dissension or debate...*"! Things haven't changed. As a human institution, we know that there will be differing opinions, perspectives, understandings, and experiences in regard to matters large and small, global and local. Just read any account of the behind the scenes deliberations that took place among bishops and theologians during the Second Vatican Council, and you will see that there was "no little dissension or debate". Attend an annual parish town hall meeting, or a Pastoral Council meeting or a parish staff meeting, and sometimes you will encounter "no little dissension or debate". Even in the church today, questions about how to live our faith in our culture and society arise in parish Bible studies, in our families, or among friends, that lead to "no little dissension or debate". How are we to grapple with these tensions and come to resolutions?
- The same way the apostles and early church leaders did, and the same way that Jesus reminds us in this weekend's Gospel: rely on the Holy Spirit, the Advocate, to teach us and remind us of what Christ himself has taught us. We must let our passions, opinions, and convictions be grounded in and directed by the Holy Spirit's guidance in following Christ as the Way, the Truth, and the Life. That is how the early church leaders could announce, with no little confidence, "*It is the decision of the Holy Spirit and of us...*".
- As I spent some time in church this week, wandering and reflecting, I became reacquainted with a ministry here at St. James that I had forgotten about: the **Rosebud Prayer ministry**. There's a display near the statue of Mary in the eastern alcove (on the pond side) of church. There's a basket of different colored roses for different situations of family life, i.e. wanting to get pregnant, expecting a baby, losing a child, grandparents' concerns, birth/adoption, and so on. Couples can indicate a prayer request with the corresponding color of rose, and leave it for volunteers who will daily pray for that couple or parent/grandparent and their intention. When I happened upon the roses, I wondered how many other parishioners are unaware of this and could use the loving prayers of people who care...

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

St. James Community Garden

The annual plant sale is behind us. One of our favorite features of the sale is a chance to be face to face with people. The plant sale happened to coincide with the weekend of baptisms which gave us a chance to interact with people who are not usually at St. James. One visitor commented, "St. James has it all...plants, prayer and pancakes." That's a nice summary, but we would probably add one more item...people. St. James is filled with dedicated, inspiring, caring, generous people.

And we want to take this opportunity to acknowledge all of the people who help us make the gardens a success. There were plant starters who watched those seedlings and labeled them and finally brought them to the sale. Other volunteers came early to set up the tables that the church maintenance crew set aside for us. We had sign makers and plant movers; greeters and plant finders; those who could answer garden questions and those who knew how to find the person who knew the answers to those questions.

And of course our parishioners who spread the word to neighbors and through social media and showed up in droves to take our plants home. Thanks to each and every one of you. No project of this scope is the result of one person. It is the result of many efforts and we are humbly grateful for the opportunity to continue this mission another year.

Now we will begin the gardening in earnest...combating weeds, battling critters and harvesting food to share with the pantry. Let the growing season begin.

If you have any questions or comments, please call or text **Paul Schneider at (414) 587-1202** or pschneider@wi.rr.com.
