St. James Parish ~ Menomonee Falls, Wisconsin May 5, 2019

Excerpts from the Lectionary for Mass @2001, 1998, 1970 CCD.

Messages from our PA

Some weekends it is more challenging than others to extract a common theme from the three Scripture readings. Over the years, I've been advised by several people who are more knowledgeable about the Scriptures than myself to look at the Responsorial Psalm for the "gist" of the readings. This weekend's psalm response is "I will praise you, Lord, for you have rescued me." And as I pondered the readings in light of that phrase, I could definitely see that sentiment reflected in each one in a special way. I also noticed that each reading expressed a thought that went a step further. Yes, God is deserving of our praise and thanks for rescuing and saving and redeeming us... and, he has rescued us for the purpose of using us to share in the work of rescuing others!

How many of you, like me, have had numerous friends and family members suffer from and succumb to cancer? Please consider supporting the St. James team for the American Cancer Society's "Relay for Life". If you and your family would like to join the St. James team to secure pledges and participate in this year's walk scheduled for Friday, May 31st & Saturday, June 1st; or make a donation; or just find out more details; contact myself or Kristin Kebis, our St. James Coordinator of Child Ministry.

> If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

St. James' Weekly Tithes (Outreach)

Since the 1980's St. James has distributed a portion of its weekly income as a tithe for various outreach programs and organizations. We tithe \$900 twice a month. In May, \$900 will be donated to:

Casa Romero Renewal Center—Milwaukee. Inner city retreat center serving urban poor, especially the largely Hispanic South side population.

Capuchin Community Services/House of Peace— Milwaukee. Provides food, clothing, and access to medical & legal services to the poor..

Wedding Hosts—A Wonderful Ministry

Our parish family is looking for a few fun & peppy people to join our current Host Ministers to assist and serve our wedding families.

One person has come forward so far, and we could use a couple more peppy people!

It is a very happy time in their lives so all that is needed is a "smile" and willingness to help at the rehearsal and the day of the wedding.

Please consider calling the parish office with a resounding "YES" I can do that. Please call Diana at 251-3944.

You are invited to

<u>a High School Graduation Celebration</u> On May 19th we will be celebrating the 2019 High School

Graduating class. The celebration will begin with mass at 5:30 p.m. followed by food and entertainment by Ben Wagner.

We especially invite our High school seniors and their families to attend, but we also invite anyone in the parish who would like to celebrate with them to attend as well.

Glafcke Mission Update

The following message (edited for space reasons) from our missionary family, the Glafckes, was received this week. For the full message and a photo, check out the poster near the fireplace in the gathering space. The Lenten Almsgiving focus to support the Glafckes' mission has exceeded \$10,000, with some donations still being received. We will provide an exact total by mid-May. Thanks to all for your continued support and prayers!

"Alleluia! Christ is Risen! Greetings from L'Asile, Haiti! We have been in Haiti for one month now and ever so slowly we are adjusting to life here. Daily we are reminded of our smallness and our absolute dependence on the Lord. Undoubtedly He is Our Good Shepherd, and His tender care for His flock never fails.

A few weeks ago I remember waking up and praying for the Lord's provision. We had used up all our water, I put the last clean diaper on Daniel and everyone was hungry. To top it off our cellphone had been stolen...By 7:30am that very morning, our water delivery friend Reynold had filled both of our 50 gallon barrels, our new cook Madame Sonia was preparing a hearty lunch in the kitchen, and our wash lady Madame Jacques set right to work cleaning our dirty laundry, including Daniel's soiled diapers.

Our stolen cellphone was recovered, but one of the many struggles we have faced since our arrival is the weak and intermittent cellphone and internet service. We will do our best to send out monthly updates via email. Please visit our blog for stories as well: laughkeymission.blogspot.com

...Many have asked us what we will be "doing" in Haiti. So far, we have been...learning how to live here. Without running water and electricity for a refrigerator, it feels akin to indoor camping. One of the greatest struggles has been figuring out how to acquire food and feed our family. Before Madame Sonia arrived to cook us one meal a day, all of us were hungry all day long.

In truth, having Madame Sonia in our home each day is a real part of our call as missionaries. We are here to share the love of Christ, and truly our role has been more student than teacher. Our water friend Reynold is eager to learn English and his water delivery visits always include a language lesson for both of us. We are still learning to speak and understand Haitian Creole – please pray for our perseverance in practicing and receptivity to learning the language!

Finally, as we are working our way toward that third phase of harmonious relations, please pray for us to make real friends here in L'Asile. Friendship is an avenue of grace and love and strength. Your friendship, your prayers, your love, and your generous financial support is what propels us forward each day. We are here in Haiti because of you! There is absolutely no way we could do this on our own. Love,

Katie, Matt, Josephine, Coryn, Mallory, Gloria and Daniel"

A Note from Brigitte Glinski, Parish Nurse

Did you know that falls in people over 65 are responsible for 10-15% of visits to the emergency department and for more than 50% of injury-related hospitalizations of seniors. Often these injuries are a hip fracture, traumatic brain injury or broken arm. After a fall most seniors experience a decrease in independence, confusion,

depression, or a loss of mobility. Falls can drastically reduce your ability to enjoy daily activities. The secret to preventing injuries from falls can be split into two categories: keeping your body healthy, and making your environment safer.

- This week we will focus on keeping your body healthy, next week's note will focus on making your environment safer.
- Make sure to exercise regularly, work on flexibility, strength training, and balance to keep muscles strong. This way, if you stumble, you are more likely to catch yourself.
- You may not be able to prevent a fall, but you can decrease
 the effects of the fall by keeping your bones strong, include
 plenty of calcium and vitamin D in your diet.
- Know the side effects that your medications may cause.
 Know that the more medications you take, the more likely you are to have side effects.
- Get plenty of sleep, if you don't you may be more confused, move slower, or be less aware of your surroundings.
- Don't drink and walk, drinking alcohol can impact your vision, hearing, balance and awareness of your environment.

Stay tuned to next weekend's bulletin for tips to make your environment safer.

FIELDS OF HOPE & DREAMS and HOLY GROUND GARDEN

Despite the snow last Saturday, garden volunteers were working outside in our community gardens. All (i.e. 37) raised beds were refilled with two inches of a spring soil mix of mushroom compost to add nutrients for the season. The beds are now ready for planting, cool weather crops (i.e. lettuce spinach, peas, radishes, etc.) once the weather starts to cooperate. It will be a little longer before we start planting the other vegetables that need warmer soil temperatures/weather, but our season has begun.

Seed starting volunteers turned in their flats of plants which were started in their homes in February. What a great job they did. Although some novice volunteers were concerned their plants didn't live up to expectation, their flats of plants looked healthy and ready to transplant into larger containers so they're ready for planting in our gardens, or to sell at our **Annual Plant Sale** scheduled for the weekend of **May 18**th/19th. Our plant sale is how our volunteers raise the funds to support our gardens, so please plan to attend and support our gardens. Our community gardens provide vegetables to our Cooperating Churches of Sussex (CCOS) food pantry, so please attend the sale, buy some plants and be generous.

If you are interested in getting involved in our community gardens, or starting seeds next year, please call or text: (414) 587-1202 or email: **pschneider@wi.rr.com**. Thank you for your past support and we hope you're looking forward to our Plant Sale.

Rediscover Your Marriage -

Retrouvaille (pronounced retro-VI with a long I) simply means rediscovery. The program offers the chance to rediscover yourself, your spouse and a loving relationship in your marriage.

Tens of thousands of couples headed for divorce have successfully saved their marriages by attending. Retrouvaille is not a spiritual retreat, not a sensitivity group, not a seminar, not a social gathering.

For confidential information about or to register for the program beginning June 28-30, 2019, with a weekend at the Redemptorist Retreat Center in Oconomowoc.

call (414) 502-7685 or email: lakeshore@retrouvaille.org or visit the website at http://www.HelpOurMarriage.org
