13TH SUNDAY IN ORDINARY TIME

PROCLAIM

[Jesus] answered him,
"Let the dead bury their
dead. But you, go and
proclaim the kingdom
of God." - Lk 9:60

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

"Successful stewardship parishes have accomplished a shift in action and attitude:
from a focus on tasks, recruitment and filling slots
to a focus on people, understanding the many aspects of
gifts-based ministry."

Calling Workers into the Vineyard, Archdiocese of Milwaukee

Messages from our PA

- We could interpret Jesus' words in this Sunday's Gospel very literally, that once you decide to follow the Lord you must forsake all, even family. That seems rather harsh, but in fact, many seminaries and convents used to follow that teaching strictly. Once a young man or woman began their formation, they were not allowed to go home except for Christmas and Easter, sometimes not even for a death in the family! Nowadays, we view that approach as an extreme that could cause more harm than good, so the teaching is not taken literally. But the point Jesus was making is still important: **Once we surrender our will to God, and enter a deep, committed relationship with Christ, there is no turning back.** We must be willing, ready or not, to go places, take on challenges, and enter new experiences that God will lead us to, even though we would never have chosen them for ourselves. There will be challenges and sacrifices, but as St. Paul reminds us in the 2nd reading, we will then enjoy the freedom of loving our neighbor as our self, just as we have been freely loved by God.
- **Young adults of the parish:** Brew City Catholic, Milwaukee's hub for Young Adult opportunities is sponsoring a one time **kickball tournament on July 27th**! Check out this website for more details: www.archmil.org/offices/Young-Adults/CONNECT
- **Glafcke Family update:** the most recent text I received from Matt and Katie Glafcke announced that they'll be arriving in Chicago on July 9th, and spending a couple of weeks in the area. They hope to make a visit to St. James while they're here...As always, keep up with stories of their mission in Haiti by checking their blog at: www.laughkey.blogspot.com

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

BANNS OF MARRIAGE

III Emilio Guerra & Brenna Kelbel

IMMEDIATE NEEDS NOTICES & OPPORTUNITIES FOR VARIOUS MINISTRIES:

Can you spare about 1—1 1/2 hours on Monday mornings?

We have some very dedicated parishioners who come in and assist in cleaning the church and gathering area on Monday mornings at 8:30 a.m.

They come every week for an hour or so and do various tasks such as vacuuming the carpeting, dust mopping the Church floors, washing windows, general dusting, etc.

We affectionately call them our “Holy Dusters” and greatly appreciate all that they do.

At this time we are looking for additional parishioners to help in this Ministry.

Consider stopping in this Monday morning if you are available and see how you can offer your services.

For ?'s call the Parish Office at 251-3944.

Do you have an hour a week to share?

Do you like to care for plants?

If you answered YES to these questions, St James is looking for you!

We need someone to check & water the green plants in church every week.

If you are interested in helping with this, please contact Sue.

262-366-1211 or mangans@archmil.org

We Need Your Help!

Twice a year, St. James hosts a program known as **St. James Older Adult Learning** also known as SOAL. We provide fun classes twice a year to adults 50 and over, and the classes are taught by volunteers. We are hoping to add a Chess Class and a Book Club to our program, and we are seeking volunteers to teach these classes.

If you have any experience with either of these topics, and you would like to teach a wonderful and enthusiastic group of people, then we could use your help! SOAL classes are held on Fridays, and the dates for our Fall 2019 SOAL program are Oct. 4, 11, 18, 25 and Nov. 8, 15. If you are interested in joining us in the Fall, please contact Sue Devine-Simon or Mary Ann Ehr in the Christian Formation Office at 262-251-0897.

We also provide a meal to our students, and we are looking for some kitchen help to prepare meals. If you have culinary skills, and you would like to help us, please contact Sue or Mary Ann. We would love to have you join us!

We are always looking for new class ideas, and if you have any talent you could offer to our program, we would love to hear from you!

COMMUNITY BANQUET VOLUNTEERS NEEDED:

Our community banquet team is looking for volunteers to join our team. The Community Banquet is a **free**, hot meal which provides an opportunity for fellowship

with others throughout our connecting communities and faith traditions. *The meal is served the second and fourth Thursday of each month.* The Banquet is open to anyone and all are welcome—singles, couples,

families, children, friends and retirees.

The St. James team assists with setup/desserts, cooking and clean up six times a year. The commitment is about an hour in length each time.

If you are interested in joining our volunteer team, please contact Michele Trawicki at 414- 412- 7378 or trawmi@gmail.com.

PROTECT YOUR SKIN!

It's very important to protect your skin in the summer (and year round), especially during midday hours, when the sun is strongest and can do the most damage. Whether you are in the pool or mowing the lawn, you need to protect your skin!

- Stay in the shade, especially during midday hours (10am-4pm).
- Cover exposed skin with clothing. Wear a hat with a wide brim to shade the face, head, ears and neck.
- Wear sunglasses.
- Put on sunscreen with protection factor (SPF) 30 or higher with both UVA and UVB protection.
- Be mindful of the time you spend in the sun.
- Check your skin. Make note of any moles, freckles or spots that change shape, size or color.

St. James Community Gardens

Each year we try to be as productive in the gardens as possible. Sometimes the weather holds us back...we can't change that. Sometimes the critters eat our plants...we do our best to change that. Recently we noticed that the large bush/tree in our Holy Ground garden limits our space. It takes up room and blocks the sun from plants that need it. We could change that. So we are considering removing it.

However gardeners are always planning ahead and we began thinking about the question of what could be put there if we did remove that plant. Someone suggested a devotional image for a saint. With so many saints to choose from, it would be hard to make a choice. St. Francis seems like an obvious choice with his emphasis on nature...but he is already well represented on the parish grounds. St. Therese of Lisieux, The Little Flower comes to mind. She wrote about scattering flowers of actions and sacrifice based on love. Or we could consider St. Teresa of Avila who compared the stages of prayer to an inner garden watered by the love of God.

Both of these are good choices, but we could consider others as well...assuming that we remove the bush/shrub in the first place. So what do you think? If we eventually have room to add a devotional image to our garden, what would you suggest?

Paul is waiting to hear your thoughts. Contact him with comments, questions or suggestions at. **(414) 587-1202**

HUMAN TRAFFICKING MINISTRY UPDATE

Trafficking of human persons is the buying and selling of People for any purpose, including sex, prostitution, forced marriages, servitude and forced labor.

Human Trafficking is a complex subject. Many ask what is being done to fight the crime. What kind of legislation laws are being introduced today? Today, people can be charged with sex trafficking just for making money off of victims or transporting them, even without force, fraud or coercion. Lawmakers also approved a bill that says, anyone who purchases sex from a child can be charged with trafficking. Yet another law makes it a felony the third time someone is caught paying for sex.

“Truck drivers are the potential first responders in the human trafficking travesty. They travel to truck stops, weigh stations, gas stations, restaurants, thousands of miles more than the average person does, and this is where human trafficking often takes place,” former state Representative Joel Kleefisch said while testifying at a legislative hearing in 2017. He was backing a bill that would mandate training for truckers on how to recognize and report trafficking. A trucker also spoke in support of this bill saying (close to 100 girls) have knocked on his truck asking if he wanted ‘commercial company?’

The Safe Harbor Law (bill co-sponsored by LaTonya Johnson), now protects children. In the past a child would be prosecuted in hopes of testifying against their pimp. Most were too scared to do so being the pimps threaten them with hurting their family members, withholding drugs, etc. and were eventually let go ending up back on the streets. The Safe Harbor Act says you can no longer do that, the child is a victim and should be treated as such, no child is capable of giving consent. “Now they are provided with food, shelter, foster care, a safe place to live that these children are now going to be under the guardianship of the state”, Johnson says. (Excerpts taken from article by Maayan Silver-What’s Happening with Human Trafficking Legislation in WI? April 19, 2019)
