

St. James Parish ~ Menomonee Falls, Wisconsin

June 9, 2019

"Living a stewardship way of life as a committed disciple of Jesus is not easy.

In fact, we are guaranteed to fail. That inevitable failure is called sin.

Grace makes it possible for us to continue on the journey...

Reach out and take the hand of God and allow His Spirit to lead you and guide you."

Tracy Earl Welliver, MTS, Everyday Stewardship: Reflections for the Journey

Messages from our PA

- This weekend we celebrate the great **Feast of Pentecost**, with all of the readings focusing upon the power and movement of the Holy Spirit through creation, through salvation history, through the church, through Christ, and through each of our lives. The full mystery of God's being is truly beyond human grasp, and so we joyfully pray:
Come Holy Spirit, fill the hearts of your faithful and kindle in them the fire of your love!
- In my four years at St. James, I have had the privilege to share with our beloved Deacon Mike the role of acting as liaisons for St. James parish to the Cooperating Churches of Sussex (CCOS). During the time that he fell ill again with cancer and his journey to the Lord went so much faster than anyone anticipated, I had several opportunities to attend CCOS Board meetings and CCOS Clergy meetings, both while Mike was still active, and after he became unable to participate any longer. **In the past two months, not only were the other congregations of the CCOS praying for Deacon Mike and his family, they were also praying for our community of St. James. For me personally, that knowledge has been a fulfillment of a line from this weekend's Second Reading: "For in one Spirit we were all baptized into one body..."**
- If you haven't checked it out recently, go to the **Glafcke Family blog** to keep up with anecdotes and insights into their mission in Haiti. The blog address is: www.laughkey.blogspot.com. There are pictures, stories by the children, and profound spiritual reflections from Katie and Matt.
- Thanks to everyone who participated as part of the St. James team in last weekend's **Relay for Life**, to raise funds for cancer research and to promote greater education regarding cancer, but especially to our Coordinator for Child Ministry Kristin Kebis, who helped organize our team. Our team raised over \$1,670 (mostly due to the efforts of Darlene DeRocher), and was ranked 4th out of 23 teams who participated in the "Quarry Communities" event at Sussex Hamilton High School last Friday. In addition to our team, it was very gratifying to see many of our **St. James high school teens** participate through various clubs and organizations through the high school. Just as the number of participants on our team grew from last year to this, we hope that more parishioners will join us for next year's event.

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

"Scan to pay or give."

What is this QR code and why use it? When you scan this barcode-like QR code image with a smartphone's QR decoder, it will instantly connect you to the mobile version of our web page to conveniently schedule your monthly Stewardship donation(s). To individuals who are familiar with QR codes, it will provide a quick and easy way to access our web page without having to type out a long web address and locate your link.

A Reminder from The Blood Pressure Screening Ministry

This weekend, June 8 & 9, is our last blood pressure screening for the summer.

We will resume screenings in September, on the second weekend of the month.

If you need your blood pressure checked during the summer, please call Brigitte Glinski, Parish Nurse at 262-250-2663 to schedule an appointment.

A note from Brigitte Glinski, Parish Nurse

Injuries are the leading cause of death for Americans ages 1 to 44. The good news? Everyone can get involved to help prevent injuries. June is National Safety Month. During June, I encourage you to learn more about important safety issues like preventing poisonings, transportation safety, and slips, trips, and falls.

- **Poisonings:** Nine out of 10 poisonings happen right at home. You can be poisoned by many things, like cleaning products or another person's medicine.
- **Transportation safety:** Doing other activities while driving – like texting or eating – distracts you and increases your chance of crashing. Almost 1 in 6 crashes where someone is injured involves distracted driving.
- **Slips, trips, and falls:** More than 1 in 4 older adults fall each year. Many falls lead to broken bones or head injuries.

INTERNET SAFETY FOR SENIORS

Every year World Elder Abuse Awareness Day is recognized on June 15th. This year, our Adult Protective Services Unit will be sponsoring a **FREE EVENT on Thursday, June 13th** to teach community members how to protect themselves from identity theft and cybercrime. The event will be held from **11:30am-1:00pm at the Ingleside Hotel with free lunch provided by the ADRC**. Detective Loberg from the Waukesha County Sheriff's Department will lead the presentation on internet safety and we will provide all seniors who attend with some more information and tools to take home with them. If you have an opportunity to inform your parishioners by placing on a community outreach bulletin board or forwarding to any senior groups that might be interested that would be greatly appreciated.

More information can be found on the attached flyer, or on our Facebook event page: <https://www.facebook.com/events/2280242395371671/> OR Call ADRC for a reservation by June 10th at 262-318-7848

The Ingleside Hotel is located at 2810 Golf Rd. in Pewaukee.

St. James Community Gardens

Various cultures have traditions that name the years...the Chinese are famous for the Year of the Monkey, or Dog, or Pig, which is what they call 2019. The animal of the year is supposed to predict the personality traits of those born during it. Now before you turn your nose up at the pig...it is seen as a sign of bounty and wealth!

If we were to name our garden year...this would probably be the year of the thistle. Have you seen our thistle crop? Some of them are knee high and it isn't even the 4th of July! (Apologies to all corn plants out there, but our thistles have you beat.) Their stems are thumb thick and their roots seem to go on forever. We've heard from other gardeners that they are noticing the same thing. So what might that predict for plants growing this year? Maybe that they will be resilient, hardy, fast growing and prolific. We can only hope.

At any rate, we are doing our best to discourage thistles and creeping charlie and mint and any other plant that is taking nutrients from our veggies. Until we can find tasty recipes for thistles, out they go. We want room for tomatoes and peppers and broccoli and potatoes and various other forms of produce to share with the food pantry.

Thanks for reading, thanks for continuing to support us and if you have any thistle recipes...we'll pass.

As always if you have any comments, questions or suggestions, contact Paul Schneider at **(414) 587-1202** or **pschneider@wi.rr.com**.

**** Beware of Phishing Emails ****

We had a flurry of these in the archdiocese earlier in the year and it appears that it is surfacing again, at least at St. James.

The way this works is that a scammer goes on a parish website, gets the name of the pastor, priests or deacons listed, then using phone numbers or emails listed of staff or council members, the scammer sends a message appearing as the pastor, priest, or deacon, asking for your help (often times to purchase giftcards). If you ever get an email from anyone at St. James asking for your help, call the parish office at 251-3944 to verify the legitimacy of the request.
