Messages from our PA

- Several years ago there was a popular book by Robert Fulghum, “All I Really Need to Know I Learned in Kindergarten”. It listed several life lessons that many people consider basic values, not overly complex, but based in the common sense of the common good, that we hopefully learn early in our lives through the lived example of others as well as our own experience. Things like: Share everything; Play fair; Don't hit people; Don't take things that aren't yours; Say you're SORRY when you HURT somebody; Be aware of wonder. Remember the little seed in the Styrofoam cup: The roots go down and the plant goes up and nobody really knows how or why, but we are all like that; and more.
- This weekend's readings seem to me to be like a Scriptural version of “All I Really Need to Know...”, listing some of the life truths that are innately part of our spiritual DNA, since we are made in the image and likeness of God. Certainly there is a depth to Scripture, to God, to the spiritual life, that sometimes confronts us face-to-face with the reality of our unknowing—that there is no way that we can totally comprehend the mystery and profundity of all that. However, **the message in this weekend's Scriptures balances that sense of wonder and awe with the truth that matters of the Spirit can be readily and intuitively grasped: “this command...is...very near to you, already in your mouths and in your hearts; you have only to carry it out.”; “Christ Jesus is the image of the invisible God,...”; “Which of these...was neighbor...?...’The one who treated him with mercy;... Go and do likewise.”**
- More on the Archdiocese of Milwaukee 175th Anniversary:** Please take some time to view the banner display celebrating the Archdiocese of Milwaukee's 175th Anniversary in the narthex this weekend and next. Other upcoming Anniversary events include:
175th Anniversary Exploration – April 28 to Nov 28, 2019: 6 biking and walking paths to choose from, 175 miles total. Family-friendly, pick your distance, pick your time, pick your location — start anywhere, anytime. Free passport guides and information available along the way.
Seven Days of Service – Archdiocesan Service Week - September 22-29, 2019: Parish, Multi-Parish Communities, Deaneries will be invited to participate in local service opportunities as an archdiocesan effort of reaching out to others and highlighting the Catholic Church's presence in our communities.
Closing Mass – Sunday, November 24, 2019: 11 am at the Cathedral with reception in the atrium to follow.
Closing Bells – November 28, 2019 (Thanksgiving): All parishes, schools, and families are invited to ring bells at 10 am and pray the 175th Anniversary Prayer to close the year.
Questions? Contact **Jenni Oliva**, *Manager of Diocesan Events and Special Programs*, at **414-769-3585** or **olivaj@archmil.org**.

July and most of August.

OUR THURSDAY MORNING AND EVENING BIBLE
STUDIES WILL RESUME ON AUGUST 22ND.

Expecting a baby? Just had a baby?

Welcome them into our church through the sacrament of
Baptism!

We recognize a child's baptism is an
exciting time for parents, godparents and
families, and we want to celebrate this
special event with you. Baptisms are held
the third weekend of the month at all masses
— except during Lent & Advent. There are
NO baptisms scheduled during these times.

First-time parents and those new to St. James are required to
participate in a pre-baptism class that covers catechesis on the
sacrament of Baptism, an explanation of the baptismal rite, the
role of godparents and time for group sharing. Parents are
encouraged to attend this session prior to the birth of their
child. Baptism classes are held the first Tuesday of each month
at 7pm in the Great Room.

For more information, visit the website under the Baptism tab or
contact Kristin Kebis at kebisk@archmil.org.

ST. BEN'S MEAL PROGRAM

It is time for us to donate food for the St. Ben's
Meal Program this coming **Wednesday, July 17th**.
St. James' role in this ministry is to supplement a meat-
loaf & mashed potatoes/gravy dinner (supplied by Good
Shepherd & St. Mary's).

We need parishioners to bring salads, fruits &
vegetables of any kind & meat or seafood casseroles/
pastas. Desserts are okay but they need to be fresh.
There is sufficient bread & rolls already provided. Our
efforts either supplement the meatloaf dinner or provide
an alternative for the homeless & poor.

You do not have to sign up to be a part of this
ministry and can **drop your donations off any time
between 7:30 am and 3:55 pm at St. James in the
upstairs kitchen. Items can be left on the counter or
in the refrigerator of the upstairs kitchen
any time before 4 pm as our last driver
leaves promptly at 4:00.** If you have
questions or are interested in going
down to help serve occasionally, please
contact Jeff & Lynn Kenkel at 262-227-
9862 or kenkel5@gmail.com

**We strongly suggest that you use pans or dishes that
can be thrown away if possible.**

Bereavement Fish Fry Time

It is that time again when we gather to share food and fellowship with those who have lost a loved one. We will gather at the Village Bowl at N86 W18330 Main St., Menomonee Falls, on **Friday, July 19th.**

Gathering time is from 5:30 pm – 6 pm.

We will order our meal around 6 pm. This is a time where we are present to one another in fellowship, to love one another as Christ loves us.

If this is something you might like to attend, please contact Gerry Wolf,

St. James Pastoral Associate, at 262-253-2213, or at wolfg@archmil.org.

Please call in advance to reserve a spot...
we look forward to seeing you there!

The Letters and Legacy of Saint Paul

**August 1st & 8th, from 6:00 – 8:00 p.m.
in the Great Room.**

There will be a simple supper available at 6:00, with the presentation beginning at 6:30.

In this two-part series, Dr. Dan Scholz will examine the letters Paul wrote to the earliest Christians and the legacy his impact has made on subsequent believers in Christ. We will also discuss how Paul's theology speaks to us today as 21st century Christians.

Dr. Dan Scholz is currently the Vice President of Academic Affairs at Cardinal Stritch University. He has over 30 years of teaching experience and he has taught at the high school, college and graduate school level.

Please RSVP to Sue at devinesimons@archmil.org or call 262-253-2904.

Experience the Power of the Rosary in a new way!

Are you one of those Catholics who, like me, grew up praying the Rosary on a regular basis either around your family dinner table, or in a Catholic grade school, but then over the years drifted away from saying it, and now say it infrequently? Or maybe you're someone who has always had a devotion to Mary and the Rosary, and that devotion has just grown stronger and stronger through the years...

On Sunday, August 4th, and Sunday, August 11th, there will be an opportunity to view a very powerful movie, **"Power In My Hands"**. The movie has several testimonies from Catholics whose stories give witness to how praying the Rosary, and relying on Mary's intercession has impacted, and in some cases, transformed their lives. Watching this movie may give you a renewed sense of the value and power of the Rosary, no matter what your previous experience has been.

The viewings on each of the Sundays will begin at 10:15 am, following Mass, in the Cafeteria, the room just west of the Community Center. The video will be played in full both Sundays, and is 81 minutes long. There will be some refreshments and beverages served. There will also be a short period of discussion and prayer following the viewing, so we anticipate finishing by noon. There is no fee and no registration necessary. Just join us for an interesting and perhaps, life-changing, morning...

A Note from Brigitte Glinski, Parish Nurse

What should you know about glaucoma?

Glaucoma happens when pressure in your eye damages your optic nerve and results in vision loss and blindness. The most common form is primary open-angle glaucoma, which is one of the main causes of blindness in the US.

With glaucoma, the fluid within the eye drains too slowly and, as the fluid builds up, the pressure inside the eye rises to a level that may damage the optic nerve.

According to the Glaucoma Research Foundation, regular eye exams are the best form of prevention against significant glaucoma damage.

In general, a check for glaucoma should be done:

- Before age 40: Every 2-4 years
- Age 40 to age 54: Every 1-3 years
- Age 55 to 64: Every 1-2 years
- Age 65 and older: Every 6-12 months

ST. JAMES COMMUNITY GARDENS

FIELD of HOPE, FIELD of DREAMS, and HOLY GROUND gardens (our three community gardens) are growing and producing like crazy. I hope your home gardens are doing as well. Volunteers keep trying to keep up with the spinach, lettuce, radishes and chives in the Field of Dreams garden, our cool climate garden, on the north east side of church. And in our Field of Hope garden, the broccoli has been growing like there's no tomorrow. The huge middle crowns have been picked, so now we'll harvest side shoots. And now that temperatures have risen, Holy Ground's tomatoes, peppers, cucumbers and squash have shot up with a growth spurt. Rhubarb continues to get thinned. Both gardens are located on the south side of the church.

Our garden's success is mainly due to our volunteers' work of amending the soil, pulling weeds in and around our raised beds, and cutting, pruning, laying straw and tying up vines to protect the plants from disease. Of course, we give thanks to God for the abundance of rain and sun which has created this spring's ideal growing conditions.

And speaking of volunteers, we could use some help in the kitchen on Saturday mornings. These volunteers wash, spin dry, label, record and box up the produce that is brought in "from the fields". There's no bending down, getting dirty, pulling thistles, or heavy lifting – just preparing produce for the Cooperating Churches Of Sussex (CCOS) food pantry on Saturday mornings between the hours of 8:30 and 10:00 a.m. It's also a fun place to solve the world's problems that occurred over the past week with fellow volunteers.

And if you have an abundance of produce from your own home garden, you can bring some with you to the kitchen to combine with our donation. It's such a waste to let fresh produce (with its work) go bad. If you have questions or comments, please share them with Paul by texting or calling (414) 587-1202 or email him at: pschneider@wi.rr.com. Thank you for supporting St. James' community gardens and the CCOS food pantry.
