

St. James Parish ~ Menomonee Falls, Wisconsin

July 21, 2019

**"Through faith, we change in ways we never imagined.
Without knowing how it happened,
we might find ourselves thinking a little differently
about what we 'own' and what 'owns' us."**

Messages from our PA

- **The over-arching theme in the readings this weekend is to be mindful of, be attentive to, and take rest in the presence of the Lord!**

In the first reading, Abraham's spiritual intuition makes him keenly aware that the "three men standing nearby" somehow manifest the presence of the Lord, and he takes the time to commune with them. Then in the Gospel, Mary chooses the "better part" to sit at the Lord's feet and listen. If we can also enter into this dynamic of sensing and abiding in God's own being, then we can rejoice with Paul in experiencing the mystery of Christ in us!

- ***Men of the Parish: save the date of Saturday, February 1st!*** St. James is planning to be a host site for a national Mens' Conference called "NO REGRETS". Watch for more information and details in the months ahead, but set aside this day for you and your sons (ages 12 and up). The day will feature presentations that will help men grow in their faith as followers of Christ to be better husbands, fathers, church members, citizens, and all-around better PERSONS!

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

New Grief Support Group Offered

GriefShare, a weekly program that focuses on specific areas of the grieving process, is currently being held on Wednesday evenings, 6:00-7:30 pm, at Good Shepherd Parish. The 13-week program offers video presentations, a personal workbook, group discussion, and prayer. Parishioners who are trying to cope with the loss of a loved one are encouraged to attend a session to see what the process is like, then decide if they want to commit to the series. For more details and information, contact Pastoral Associate Gerry Wolf at 262-253-2213, or wolfg@archmil.org.

We would like to express our sympathy to the families of **Peter Davel**. May he find peace and happiness with our Lord Jesus in heaven.

A note from Brigitte Glinski, Parish Nurse

Drinking water has many benefits including eliminating toxins, kick-starting your metabolism and stimulating your digestive system. Here are some ways to get a little extra water in your day:

- Drink two glasses of water in the morning to rehydrate your brain and help you wake up.
- Drink water instead of reaching for an unhealthy snack.
- Drink a glass of water at least 30 minutes before lunch to help boost your metabolism.
- Enjoy a glass of water when you start to feel your afternoon slow down.
- Drink another cup of water before bedtime.

PRAYER NETWORK - If you have a prayer request, please send an email to Terri Grimmer at: tmg1123@yahoo.com

St. James Community Gardens

Holy Honeybees! St. James now has three colonies of honeybees on the property to help pollinate our flowers and gardens. The colonies are located on the north side of church next to the driveway/ramp that takes traffic up to Willow Springs school overflow parking lot. There is a yellow “caution” sign to warn people that the honeybees are hard at work, so please don’t disturb them. If you leave them alone, they will leave YOU alone.

Since two of the three are relatively new, we don’t expect to take much honey this fall. Our hope is to make honey available to parish members each fall, once we feel comfortable that they are producing enough honey to “winter over” or enough honey to feed themselves during winters. That’s what they need to survive and to give them enough energy to keep vibrating inside the colony boxes. They vibrate to keep their environment at 97 degrees throughout winter. That’s a tall order for the bees. Especially when you consider last winter, where we had such severe cold temperatures for an extended period of time. We only take the excess honey from them.

Remember, if all the bees die, we (i.e. humans) die. They are that important to our eco-system and to us. So please pray for our bees. Thanks for supporting our gardens, our bees, and Pope Francis’ Laudato Si efforts around the church grounds. If you have any questions or comments, direct them to Paul. Call or text him at (414) 587-1202 or email him at: pschneider@wi.rr.com
