"And I tell you, ask and you will receive; seek and you will find; knock and the door will be opened to you." - Lk 11:9

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

©LPI

**"Individually, we can accomplish some things.  
Together we can accomplish more, and with God—all things are possible.  
Our gifts are meant to be shared over and over again, until they multiply and  
become like a great river spreading God's goodness everywhere."**

## Messages from our PA

- This weekend's Scripture passages underscore **God's nature as merciful, generous, gracious**, and, as Psalm 103 so aptly describes God: ***"slow to anger, abounding in kindness..."*** How else could Abraham experience God extending his mercy over and over again to save a whole city for the sake of 10 righteous people? Or how else could St. Paul speak of Christ ***"obliterating the bond against us..."***? And how else could Jesus describe the Father's desire to answer our needs as so far surpassing any natural human desire to fulfill the needs of those we love? Only because it is God's nature to be pure love, always giving, always extending out to us, always reaching out to us, and always inviting us in with open arms.
- Did you know that **St. James parish has a beautiful Labyrinth** in the northeast corner of our property? Some of you may not be familiar with the Labyrinth as a **prayer form**. The Labyrinth is similar to a maze, with the difference being that the Labyrinth consists of one path, with a clearly marked beginning that leads to a central point, unlike the many paths and dead ends within a maze. The object is to walk slowly, reflectively, prayerfully following the path set before you, and to let your body, mind, and spirit slow down, be calmed, and tune in to the presence of God walking with you. ***We can thank Tyler Kebis, his family, and his fellow Scouts of Troop 175, for the well-constructed Labyrinth that was completed as Tyler's Eagle Scout project.*** Take some time during the months of Summer and Autumn to check out the Labyrinth and walk the path meditating on a Scripture passage, or praying the Rosary, or just talking to God from your heart...
- ***Men of the Parish: save the date of Saturday, February 1<sup>st</sup>!*** St. James is planning to be a host site for a national Mens' Conference called "NO REGRETS". Watch for more information and details in the months ahead, but set aside this day for you and your sons (ages 12 and up). The day will feature presentations that will help men grow in their faith as followers of Christ to be better husbands, fathers, church members, citizens, and all-around better PERSONS!

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at [wolfg@archmil.org](mailto:wolfg@archmil.org).

## **A note from Brigitte Glinski, Parish Nurse**

There are a lot of great reasons to ride your bike: it offers fun, freedom and exercise, and it's good for the environment. Kids and families should ride their bikes as much as possible. Here are a few safety tips:

- Wear a properly fitted helmet. It is the best way to prevent head injuries and death. Properly-fitted helmets can reduce the risk of head injury by at least 45 percent—yet less than half of children under 14 usually wear a bike helmet.
- Ride on the sidewalk when you can. If not, ride in the same direction as traffic as far on the right-hand side as possible.
- Use hand signals and follow the rules of the road. Be predictable by making sure you ride in a straight line and don't swerve between cars.
- Wear bright colors and use lights, especially when riding at night and in the morning. Reflectors on your clothes and bike will help you be seen.
- Ride with your children. Stick together until you are comfortable that your kids are ready to ride on their own.

## **PARISH NURSE VISITS**

If any parishioners would like a visit from the parish nurse, Brigitte Glinski, or know of someone who would benefit from a visit please call Brigitte's office at (262) 250-2663 or e-mail at [glinskib@archmil.org](mailto:glinskib@archmil.org). Due to the Health Insurance Portability and Accountability Act, better known as HIPAA, we are no longer allowed to gather general information of St. James parishioners who may like a visit and Communion brought to them by just calling the local hospitals. HIPAA protects everyone's health information, but unfortunately can hinder our awareness of those in need.

## **New Grief Support Group Offered**

GriefShare, a weekly program that focuses on specific areas of the grieving process, is currently being held on Wednesday evenings, 6:00-7:30 pm, at Good Shepherd Parish. The 13-week program offers video presentations, a personal workbook, group discussion, and prayer. Parishioners who are trying to cope with the loss of a loved one are encouraged to attend a session to see what the process is like, then decide if they want to commit to the series. For more details and information, contact Pastoral Associate Gerry Wolf at 262-253-2213, or [wolfg@archmil.org](mailto:wolfg@archmil.org).

**St. James is here to help all people experience meaning and purpose in life.**

## HUMAN TRAFFICKING MINISTRY UPDATE

Human Trafficking is the buying and selling of people for any purpose, including sex, prostitution, forced marriages, servitude, and forced labor.

The Human Trafficking Committee is a group of concerned persons both from St. James and Good Shepherd Parishes who collaborate and find ways to educate the public about the prevalence of this crime in our communities and what we can do to stop it!

This is not just a big city problem! Often we'll ask experts in different areas of Human Trafficking, or have past trafficked women themselves who feel the responsibility & importance to share their stories hoping to prevent it from happening to someone else. These are usually held at area churches or public libraries.

The best way to keep up with the many events happening here or around the area is to be a follower of the FCAST Facebook page. FCAST stands for Faith Coalition Against Sex Trafficking. Search FCAST Waukesha County and 'Like' the page. If you have questions about Human Trafficking or would like to be a part of our committee, please contact djschneider86@gmail.com.

## St. James Community Garden

You know us...you know that we are generous by nature. We share our time and efforts and veggies willingly. But sometimes we have to draw the line, and that is the line that puts critters on one side and people on the other. We have lost nearly our entire bean crop to a critter or critters. The stalks are still standing as a testament to the beans that should be in our bins, heading to the Food Pantry for their clients. But no beans. Other years we've battled woodchucks and bunnies and voles. But we have it on good authority that there is a different culprit this year, one you may be familiar with in your own yards. We are the victims of Bambi. Yes, that sweet, playful image of a fawn seems to have ravaged our bean crop, wiping it out completely.

Apparently this fawn has found a weakness in our defenses and jumps over the fence at a low point on the north side. Then, unhindered by anyone, it has feasted on our beans. The obvious solution, other than posting a human guard 24/7 is to build a better fence. But that takes money and supplies, permissions and time. So while we ponder what to do about this bean predator, we will plant veggies that deer don't like.

Meanwhile we continue harvesting our produce and sending what we grow to the Food Pantry. As always, thanks for your support in this mission.

If you have any questions, comments or humane suggestions for dealing with "Bambi" you can direct them to Paul Schneider. Call or text him at (414) 587-1202 or email him at: [pschneider@wi.rr.com](mailto:pschneider@wi.rr.com)

## SPECIAL INTENTIONS BOOK

Lately, during the weekend Masses, when we hear the Prayers of the Faithful (also known as Universal Prayers) following the homily, you may have heard an intercession for the prayers in our **"Special Intentions Book"**. This book can be found in the narthex, on a lectern, just to the right of the entrance to the baptismal font. The purpose of this book is to allow parishioners to join whatever special prayer intentions they have with those of others to be raised up in one, united voice to God. If we were to open up that particular intercession to spontaneous prayers, as is done at the daily Masses, think of how many people might pray and how long it would take to include everyone's intention! Does this mean that since *your personal intention* on that particular Sunday is not prayed aloud or prayed for specifically, it is any less special? Remember, St. Paul's words: *"...the Spirit too comes to the aid of our weakness; for we do not know how to pray as we ought, but the Spirit itself intercedes with inexpressible groaning..."* Romans 8:26.

### Expecting a baby? Just had a baby? Welcome them into our church through the sacrament of Baptism!

We recognize a child's baptism is an exciting time for parents, godparents and families, and we want to celebrate this special event with you. Baptisms are held the third weekend of the month at all masses – except during Lent & Advent. There are NO baptisms scheduled during these times.

First-time parents and those new to St. James are required to participate in a pre-baptism class that covers catechesis on the sacrament of Baptism, an explanation of the baptismal rite, the role of godparents and time for group sharing. Parents are encouraged to attend this session prior to the birth of their child. Baptism classes are held the first Tuesday of each month at 7pm in the Great Room.

For more information, visit the website under the Baptism tab or contact Kristin Kebis at [kebisk@archmil.org](mailto:kebisk@archmil.org).
