14th SUNDAY IN ORDINARY TIME

“Nevertheless, do not rejoice because the spirits are subject to you, but rejoice because your names are written in heaven.”
- Lk 10:20

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

“Statistics show that those who have the least give the most. Perhaps that is because those who have little appreciate more what they do have.

Perhaps it is because those who have little know the value of even the smallest gift. Perhaps it is because the love of money has not replaced the love of God and man.”

Messages from our PA

- **The consistent message in all three Scripture passages this weekend is that we should rejoice in the new covenant which Christ has initiated in His dying and rising.** As St. Paul says in Galatians, we are now a “*new creation*”. And, as Jesus tells his disciples, who marvel that they have been able to mediate the healing power of God: “*...do not rejoice because the spirits are subject to you, but rejoice because your names are written in heaven.*” In other words, we also should marvel and give praise that when we surrender our hearts to Jesus’ redeeming love and to God’s will, the Spirit of God can also work wonders through us...
- **Archdiocese of Milwaukee 175th Anniversary Banner Display:** Over the next two weekends, there will be a banner display set up in the church narthex, highlighting the 175 years of history of the Archdiocese. Since our parish has been around nearly as long as that, it’s a special opportunity to mark this celebration on the same weekend as we celebrate our patronal feast! Please take some time to view the banners and thank God for the Holy Spirit’s presence and guidance in our local church’s story...
- **Glafcke Family update:** the most recent text I received from Matt and Katie Glafcke announced that they’ll be arriving in Chicago on July 9th, and spending a couple of weeks in the area. They hope to make a visit to St. James while they’re here...As always, keep up with stories of their mission in Haiti by checking their blog at: www.laughkey.blogspot.com.

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

in the Great Room.

There will be a simple supper available at 6:00,
 with the presentation beginning at 6:30.

In this two-part series, Dr. Dan Scholz will examine the letters Paul wrote to the earliest Christians and the legacy his impact has made on subsequent believers in Christ. We will also discuss how Paul's theology speaks to us today as 21st century Christians.

Dr. Dan Scholz is currently the Vice President of Academic Affairs at Cardinal Stritch University. He has over 30 years of teaching experience and he has taught at the high school, college and graduate school level.

Please RSVP to Sue at devinesimons@archmil.org

St. James Community Gardens

If you're a regular reader of this column, you know that we try to give updates on what's happening in the gardens. We cover weather, soil health, varmints and more. But this week we are taking a look behind the scenes...we are offering an update on our volunteers. These are the people who form the vital connection between the plants in the garden and the clients at the food pantry. Our volunteers tend the plants, pick the veggies, wash, pack and weigh the produce and deliver it to the food pantry before it opens on Saturday morning. It is not an exaggeration to say that they are crucial to our mission. But over the last couple of seasons our numbers have begun to dwindle due to a variety of life changes. Our current crew members have been great at stepping up and doing more, but they have lives too.

Here is our request...would you please consider joining us for an hour or two on a Saturday morning? You don't have to make a long term commitment...no contracts, no follow-up

emails, no sharing of your personal information. :-) Just a chance to offer a little help. You can shadow a gardener and learn the tricks to picking tomatoes and finding beans. Or you can stay out of the sun and go easy on your knees by joining the kitchen crew as they wash, bag and

weigh the veggies. Whatever you can offer, we will gladly accept. We meet weekly from 8 until about 10 on Saturday mornings. But if that time doesn't work for you, we may be able to work something out.

We have always been inspired by the support you offer...donations, suggestions and prayers. We are looking forward to meeting the people who will be answering this request. If you have any questions about how to be even a temporary member of our team, contact Paul Schneider....he knows it all. You can reach Paul at (414) 587-1202 or pschneider@wi.rr.com.

Experience the Power of the Rosary in a new way!

Are you one of those Catholics who, like me, grew up praying the Rosary on a regular basis either around your family dinner table, or in a Catholic grade school, but then over the years drifted away from saying it, and now say it infrequently? Or maybe you're someone who has always had a devotion to Mary and the Rosary, and that devotion has just grown stronger and stronger through the years...

On Sunday, August 4th, and Sunday, August 11th, there will be an opportunity to view a very powerful movie, **"Power In My Hands"** The movie has several testimonies from Catholics whose stories give witness to how praying the Rosary, and relying on Mary's intercession has impacted, and in some cases, transformed their lives. Watching this movie may give you a renewed sense of the value and power of the Rosary, no matter what your previous experience has been.

The viewings on each of the Sundays will begin at 10:15 am, following Mass, in the Cafeteria, the room just west of the Community Center. The video will be played in full both Sundays, and is 81 minutes long. There will be some refreshments and beverages served. There will also be a short period of discussion and prayer following the viewing, so we anticipate finishing by noon. There is no fee and no registration necessary. Just join us for an interesting and perhaps, life-changing, morning...

FOR THE BEAUTY OF THE CHURCH

A WORD OF THANKS TO Bob, Gert, Ron and Barb for planting the geraniums and pansies and other plants in the pots at the doors and on the patio of our church. And also thanks to Bonnie and Dennis for maintaining the lovely garden and statue at the Main Entrance for all these years. Truly wonderful Stewardship indeed!!

Perhaps we can all be helpers and water these flowers if we see they need it. Just use the H2O from the little kitchen in the Gathering Space.

Thanks to All!

IMMEDIATE NEEDS NOTICES & OPPORTUNITIES FOR VARIOUS MINISTRIES:

Can you spare about 1—1 1/2 hours on Monday mornings?

We have some very dedicated parishioners who come in and assist in cleaning the church and gathering area on Monday mornings at 8:30 a.m.

They come every week for an hour or so and do various tasks such as vacuuming the carpeting, dust mopping the Church floors, washing windows, general dusting, etc.

We affectionately call them our “Holy Dusters” and greatly appreciate all that they do. At this time we are looking for additional parishioners to help in this Ministry.

Consider stopping in this Monday morning if you are available and see how you can offer your services.

For ?’s call the Parish Office at 251-3944.

Do you have an hour a week to share?

Do you like to care for plants?

If you answered YES to these questions, St James is looking for you!

We need someone to check & water the green plants in church every week.

If you are interested in helping with this, please contact Sue.

262-366-1211 or mangans@archmil.org

We Need Your Help!

Twice a year, St. James hosts a program known as St. James Older Adult Learning also known as SOAL. We provide fun classes twice a year to adults 50 and over, and the classes are taught by volunteers. We are hoping to add a Chess Class and a Book Club to our program, and we are seeking volunteers to teach these classes.

If you have any experience with either of these topics, and you would like to teach a wonderful and enthusiastic group of people, then we could use your help! SOAL classes are held on Fridays, and the dates for our Fall 2019 SOAL program are Oct. 4, 11, 18, 25 and Nov. 8, 15. If you are interested in joining us in the Fall, please contact Sue Devine-Simon or Mary Ann Ehr in the Christian Formation Office at 262-251-0897.

We also provide a meal to our students, and we are looking for some kitchen help to prepare meals. If you have culinary skills, and you would like to help us, please contact Sue or Mary Ann. We would love to have you join us!

We are always looking for new class ideas, and if you have any talent you could offer to our program, we would love to hear from you!

COMMUNITY BANQUET VOLUNTEERS NEEDED:

Our community banquet team is looking for volunteers to join our team. The Community Banquet is a **free**, hot meal which provides an opportunity for fellowship with others throughout our connecting communities and faith traditions. *The meal is served the second and fourth Thursday of each month.* The Banquet is open to anyone and all are welcome—singles, couples, families, children, friends and retirees.

The St. James team assists with setup/desserts, cooking and clean up six times a year. The commitment is about an hour in length each time. If you are interested in joining our volunteer team, please contact Michele Trawicki at 414- 412- 7378 or trawmi@gmail.com.

A Note from Brigitte Gliniski, Parish Nurse

With more time being spent outdoors in the summertime, there is an increased risk of certain rashes. Common summer rashes include: poison ivy, oak and sumac, heat rash, photosensitivity, folliculitis, and swimmer's itch.

Make sure to contact your doctor if a rash occurs in these circumstances:

- It covers most of your body
- It's painful
- It develops on your face or genitals
- You develop a fever with the rash or show signs that the rash is infected
- You experience swelling
- Your skin itches all over
- Nothing relieves the itch

If you experience trouble breathing or swallowing along with the rash, seek emergency help. This may be a sign of a life-threatening allergic reaction.
