19th SUNDAY IN ORDINARY TIME

“Blessed are those servants whom the master finds vigilant on his arrival. Amen, I say to you, he will gird himself, have them recline at table, and proceed to wait on them.” - Lk 12:37

©LPI

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

“Give, and it will be given to you.

***Good measure, pressed down, shaken together, running over,
will be put into your lap.***

For with the measure you use, it will be measured back to you.”

Luke 6:38

Messages from our PA

With Deacon Sandy on vacation, this week turned out to be extremely busy, so I've had very little time to give to reflect on the Scripture readings for this weekend. But one thought that does strike me is this--Yes, God calls us, invites us, summons us, to a relationship. And the readings remind us that the depth and significance of that relationship is directly affected by our responsibility in making a commitment: ***"Gird your loins...be prepared...ready to open immediately when he comes and knocks..."***

2019 Rosary Novena For America sponsored by Rosary Coast to Coast; **August 15 to Oct. 7, 2019.** This is a nationwide prayer campaign called the "Novena for Our Nation". Everyone from around the nation is encouraged to join ranks as, united, we pray the very powerful 54 Day Rosary Novena from the Feast of the Assumption on August 15 to the Feast of Our Lady of the Rosary on October 7. We are called upon to help turn our country back towards God. We will accomplish that through prayer; prayer that can change hearts, change families, change our communities and change our country. There is no stronger weapon in this Spiritual Battle than the Rosary. For more details and info, send a request to the Rosary Evangelization Apostolate email: info@rosaryea.org.

Can you spare about 1—1 1/2 hours on Monday mornings?

We have some very dedicated parishioners who come in and assist in cleaning the church and gathering area on Monday mornings at 8:30 a.m.

They come every week for an hour or so and do various tasks such as vacuuming the carpeting, dust mopping the Church floors, washing windows, general dusting, etc.

We affectionately call them our “Holy Dusters” and greatly appreciate all that they do. At this time we are looking for additional parishioners to help in this Ministry.

Consider stopping in this Monday morning if you are available and see how you can offer your services.

For ?’s call the Parish Office at 251-3944.

Reverse Collection to Support Food Pantry

In support of our local Sussex Food Pantry, the St. James’ St. Vincent de Paul society had sponsored a “**Reverse Collection**” tickets by distributing tickets last weekend so that items can be purchased and dropped off this weekend as we come for Mass.

If you didn’t get a ticket listing items or just forgot to bring your items this week, . . . know that you can bring them any week as there is always a need for donations at the Food Pantry.

The Sussex Food Pantry provides approximately 3,000 pieces of free food and other needed items to an average of 90 local needy families each week so there’s always a need for food, beverages, toiletries, etc. You can bring items when you are able and just leave them by the Food Pantry Cupboard just around the corner to the right of the elevator.

A Note from Brigitte Glinski, Parish Nurse

Americans eat more bananas each year than any other fresh fruit. Bananas are more than just a sweet, delicious snack. After discovering their health benefits, you'll find you have every reason to add them to your diet.

Here's a list of reasons to eat bananas that may surprise you:

- Lower blood pressure. Bananas are high in potassium and low in salt. According to the FDA, they're able to lower blood pressure and protect against heart attack and stroke.
- Heartburn relief. Bananas are a natural antacid, providing relief from heartburn and acid reflux.
- Skin irritation. Rub the inside of a banana peel on bug bites or hives to relieve itching and irritation.
- Poor digestion. Bananas are an excellent source of probiotics, or non-digestible carbohydrates that act as food for gut bacteria and improve digestion.
- More energy. Rich in glucose, the most easily digestible source of sugar, bananas will provide energy before, during and after your workout.
- Fight disease. Foods with large amounts of carotenoids such as bananas have been shown to protect against chronic disease, including certain cancers, cardiovascular disease, and diabetes.
- Improved vision. Bananas contain vitamins A and C, which are both shown to be eye and skin-healthy nutrients.

This abundance of health benefits and wealth of nutrients make bananas a superfood that should be a regular part of your healthy diet.

Home Visits from our Parish Nurse

The Parish Nurse offers visits to our homebound parishioners to provide spiritual support along with health advocacy. In doing so, provides an important connection with the faith community of St. James, providing prayer and Eucharist. During the visit, we can discuss any health issues and appropriate education can be provided. The Parish nurse can also help to connect you with local community resource information. These visits are provided on an as needed schedule, and are not intended to take the place of monitoring by your doctor, but as an additional resource during a difficult time.

If you do not wish to have a home visit, but are in need of health counseling or referrals to community resources, please feel free to contact the Parish Nurse for a phone consultation.

If you or any parishioner you know could benefit from a visit with Brigitte Glinski, Parish Nurse, please feel free to contact her at glinskib@archmil.org, or 262-250-2663.

St. James Community Gardens

We have mentioned many times that we are appreciative of your support, and that support comes in many forms. You support our plant sale, you volunteer if and when you can in the gardens, you keep our success in your prayers and most recently you told us about stringing fishing lines and filling nylon stockings with human hair. Those were just two of the deer damage prevention suggestions we received after our column about 'Bambi' eating our bean crop. It seems that ours is not the only garden that the deer have visited and when we shared our frustration, you shared solutions. Thank-you.

We have implemented some of the ideas and added a few of our own. Now we need to wait and see how effective they are. What works in one garden doesn't always work in another. That's part of the fun/challenge of gardening.

Meanwhile we are harvesting tomatoes, peppers and kale as well as planting more carrots and beans. It's not too late in the season to plant a second crop of a few of our vegetables, but the countdown is beginning. Instead of counting shopping days until Christmas, gardeners count the growing days left in the season. By some counts there are only 45 days left before the date of the average first frost around here. We warned you.

HUMAN TRAFFICKING COMMITTEE UPDATE

Trafficking of human persons is the buying and selling of people for any purpose, including sex, prostitution, forced marriages, servitude and forced labor.

As I scrolled through facebook, I noticed a statistic (from polarisproject.org) that is very disturbing. I shared it on my newsfeed and it reads: Human Trafficking Cases Jump By 25% in 2018. Then it dawned on me that many people do the same thing I just did and share it. Please continue sharing, it does help with awareness. But what else can we do?

Pope Francis said this:

I have always been distressed at the lot of those who are victims of various kinds of human trafficking. How I wish that all of us would hear God's cry: "Where is your brother?" (Gen 4:9). Where is your brother or sister who is enslaved? Where is the brother and sister whom you are killing each day in clandestine warehouses, in rings of prostitution, in children used for begging, in exploiting undocumented labor? Let us not look the other way. There is greater complicity than we think.

The issue involves everyone! This infamous network of crime is now well established in our cities, and many people have blood on their hands as a result of their comfortable and silent complicity. (11/24/13, no. 211) Continue to keep victims in your prayers. Ask Our Lord, how do you want me to help? Consider attending event/s that are posted here or on the FCAST Facebook page.

FCAST stands for "Faith Coalition Against Sex Trafficking" and is a number of Faith Communities throughout Waukesha County who get together every quarter to share their stories of what their parishes are doing, what's working, etc. If you are on Facebook, search FCAST Waukesha County and click the "like" button, you will be included in all the updates and keep up to date on what your community is doing.

St. James Human Trafficking meets the first Wednesday of every month for 1 hour from 6:00-7:00 p.m. Consider joining us and learn what we are doing!
