

St. James Parish ~ Menomonee Falls, Wisconsin

August 4, 2019

18th SUNDAY IN ORDINARY TIME

[Jesus] said to the crowd, "Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions." - Lk 12:15

©LPI

Excerpts from the Lectionary for Mass ©2001, 1998, 1970 CCD.

"If we want more people to become active participants in the life of the parish, the atmosphere must become like fertile soil. When they are nurtured and tended well, volunteer ministers are the seeds of parish life that will produce good fruit for years to come."

Calling Workers into the Vineyard, Archdiocese of Milwaukee

Messages from our PA

- At first hearing, the words of Qoheleth from the 1st reading this weekend in Ecclesiastes can seem extremely pessimistic. If all is vanity, what's the point of living? Are all our labors and strivings for good things in life in vain? Jesus gives us an insight to an answer with his words which end today's Gospel: *"Thus it will be for all who store up treasure for themselves but are not rich in what matters to God."* What does matter to God? Since all we are and all we possess is of God, what matters to God is that we keep everything in that perspective—as the hymn from my youth says: "All that I am, all that I have, all that I'll ever have, I offer now to you." We should not let our egos skew our vision of the reality that God is God, and we are not! Or as the famous Latin motto of the Jesuits reminds us: Ad majorem Dei gloriam, **"For the greater glory of God."**
- New Resource** The Office of Evangelization, Marriage, and Family Life is excited to announce the creation of **"Praying Together as a Couple – Becoming One in God."** This attractive, user-friendly, free prayer guide is designed to help Catholic couples build a habit of placing God at the center of their relationship by praying with and for each other. St. James has received copies of this resource--contact Pastoral Associate Gerry Wolf for a copy or pick one up at the bulletin racks.
- SAVE THE DATES—**
SUNDAY, MARCH 1, MONDAY, MARCH 2, & TUESDAY, MARCH 3—A collaborative Lenten Mission sponsored by St. Agnes, St. James, and Good Shepherd parishes. The general theme will be about evangelizing in our everyday lives. Stay tuned for full details regarding location, times, presenters, and more detailed themes...

If you have questions about any of the items above, or have some feedback or an insight to share, Pastoral Associate, Gerry Wolf would be glad to hear from you at 262-253-2213, or at wolfg@archmil.org.

We would like to express our sympathy to the family of **Paul Malczewski**. May he find peace and happiness with our Lord Jesus in heaven.

PARISH NURSE VISITS

If any parishioners would like a visit from the parish nurse, Brigitte Glinski, or know of someone who would benefit from a visit please call Brigitte's office at (262) 250-2663 or e-mail at glinskib@archmil.org. Due to the Health Insurance Portability and Accountability Act, better known as HIPAA, we are no longer allowed to gather general information of St. James parishioners who may like a visit and Communion brought to them by just calling the local hospitals. HIPAA protects everyone's health information, but unfortunately can hinder our awareness of those in need.

A note from Brigitte Glinski, Parish Nurse

We all need shots (vaccines) to help protect us from serious diseases. This protection is called immunization. August is National Immunization Awareness Month.

Shots can prevent serious diseases like the flu, measles, and pneumonia. It's important to know which shots you need and when to get them.

Everyone age 6 months and older needs to get a flu vaccine every year. Other types of shots work best at specific ages or life stages.

A comprehensive list of the recommended vaccine schedule is available on the Centers for Disease Control website: www.cdc.gov. Make sure to discuss what vaccines you need with your primary health care provider at each visit.

St James Community Garden

It is mid summer and we are delighted to see the 'fruits' of our labor....Tomatoes! Yes, tomatoes are scientifically categorized as a fruit. Perhaps you have even heard the saying, "Knowledge is knowing that tomatoes are a fruit; wisdom is not putting them in fruit salad and philosophy is wondering if ketchup is a smoothie." At any rate, our tomatoes are beginning to ripen. We only had a few last week, but our plants have been doing well under the close eye of our tomato specialist who is monitoring and manicuring the plants each week. Homegrown tomatoes have to be one of the best tastes of summer.

And have you seen our zucchini plants? They are a jungle! They've grown to the top of the trellises and are spreading out over the walkways. The stems are prickly and poke you if you are searching for zucchini while wearing short pants. But that's a small price to pay for zucchini the size of your arm.

All of this good stuff is being picked, washed, packed and sent to the food pantry by our volunteers. We gather each week on Saturday morning to collect the veggies. Everyone is welcome to join us and experience the gardens first hand. We might even send you home with a few split carrots for your dogs.

If you have questions or comment about the gardens, Paul Schneider is the person to contact at (414) 587-1202 or email him at: pschneider@wi.rr.com

We Need Your Help!

Twice a year, St. James hosts a program known as St. James Older Adult Learning also known as SOAL. We provide fun classes twice a year to adults 50 and over, and the classes are taught by volunteers. We are hoping to add a Chess Class to our program, and we are seeking a volunteer(s) to teach these classes. If you have any experience with either of these topics, and you would like to teach a wonderful and enthusiastic group of people, then we could use your help! SOAL classes are held on Fridays, and the dates for our Fall 2019 SOAL program are Oct. 4, 11, 18, 25 and Nov. 8, 15. If you are interested in joining us in the Fall, please contact Sue Devine-Simon or Mary Ann Ehr in the Christian Formation Office at 262-251-0897.

We also provide a meal to our students, and we are

looking for some kitchen help to prepare meals on SOAL Fridays from 10:30-1:00. If you have culinary skills, and you would like to help us, please contact Sue or Mary Ann. We

"Engaging Life at Every Age"

Saturday, August 17 from 9:00 a.m. to 10:30 a.m.

**St. Joseph Center, 1501 S. Layton Blvd.
(Greenfield Ave. at 27th St.), Milwaukee**

At the presentation "Engaging Life at Every Age" on **Saturday, August 17, from 9 a.m. to 10:30 a.m.**, beloved book author and newspaper columnist Philip Chard, MS, LCSW, will be the voice urging us to stay with interests or hobbies that keep us in the thick of things. The presentation will take place at St. Joseph Center, the southside Milwaukee campus.

As a veteran psychotherapist, social worker, and coach, Mr. Chard has prepared a lively and compelling case for why all teens, adults, and seniors need to stay interested and engaged in the world around them. Attaining fulfillment and happiness takes effort, and we all need a motivational booster like this presentation now and then.

Philip Chard has more than 30 years of experience as a psychotherapist and is a leader in the field of applied eco-psychology. His column "Out of My Mind" was a favorite of *Milwaukee Journal Sentinel* readers for many years, and now appears in Milwaukee's *Shepherd Express* online.

His dynamic speaking style and ability to forge an empathetic connection with his audience make gatherings like "Engaging Life at Every Age" unique and inspiring. Seating at this workshop is limited, so don't wait to register.

The fee is just \$5. Write checks to: School Sisters of St. Francis Outreach Events, c/o Donna O'Loughlin; 1501 S. Layton Blvd., Milwaukee, WI 53215. Contact: doloughlin@sssf.org or 414-385-5272.

Ample free parking is available at 29th St. and Orchard St., in the St. Joseph Center lot.
