District Deputy 63 Message

Greetings and blessings to all of you my fraternal brothers, your loved ones, family, and friends! I remind you of the importance that we honor our principles of charity, unity, and fraternity as Knights of Columbus by setting an example to others by living our Catholic faith and that means to do your best with volunteering with your council Brothers at their fund raising, parish, community, and faith events as a Knight. Wear your KC gear proudly while out in the community and at church so others see you are a Knight. Ask other good Catholic men you know to join our order. We as Knights do a tremendous amount of good for those in need, our church and community thru our principles of charity, unity and fraternity by serving others and we can't do that without your support so please support your council as you can.

On July 17 at council 4240 in Menomonee Falls District 60 Deputy Tom Block and me as your District 63 Deputy met with representatives from our respective 10 councils including different elected officers and leaders for this 2024 – 2025 fraternal year. This is the first time we combined districts into one meeting and moving on we will continue to do so your council leaders can meet brothers from councils outside our district. The purpose of this District Deputy huddle was to kick off the new fraternal year, so council leadership is better prepared to manage and lead their respective council and learn of resources from both state and supreme and it was very well received. It was an honor to meet so many dedicated brother Knights of those able to attend and share our faith and passion for our fraternal order. We asked those in attendance to share what they learned with each of their councils. I pledge to you as your WDD that I will be there to support and assist your councils as needed and as time permits, just reach out to me.

Vivat Jesus

News/Updates

Some of the officers met this month and put together a plan for this fraternal year (7/1/24 - 6/30/25) to support our chapter's Faith In Action (FIA) program. This includes programs to support the four categories of Faith, Family, Community, and Life.

We will communicate these events throughout the year via email, newsletter, and the chapter meetings. Several of the events you may have seen before. Most of the items are very simple and require little effort so please consider volunteering to lead one or more of the events. If you have any questions, feel free to reach out.
