EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

The Heart of Stewardship

What else is there to give when one has already given away one's body and one's life? What more can one say or do to demonstrate love for another when all one had has been given to another? This total giving of self to loved ones cannot be trumped by flowery words or material gifts that are fleeting. This is the ultimate in love. This is the love Jesus had for us on the way to his Passion, at the institution of the Holy Eucharist. This is the love he has for us daily in the celebration of the Mass on altars in every church, in every city, in every nation on earth. No one can give more. No one can ask for more. This is the true heart of Christian stewardship.

If you take the time to gaze upon your God in the simplest of forms and begin to reflect on what has actually taken place with bread and wine becoming the presence of the Divine, then you can begin to understand true humility, sacrifice, and love. And when you have the privilege to take that Real Presence into your body at the meal where you are an honored guest, you become one with the One who is the embodiment of stewardship.

Then, you must ask yourself, "How can I even begin to reflect the love that I have encountered at this feast?" The answer is you can begin with the simple actions of the day: where will you go, whom will you meet, and in what work will you partake? Jesus Christ has shown that the greatest gift ever given can be disguised in this world in a piece of bread. By joining your body to his, he can now transform human hearts, not by grand acts, but by everyday acts, by everyday people, practicing Everyday Stewardship.

NEWS AND EVENTS

Attention Gardeners!

Beginning the weekend of June 6th & 7th and running through September 5th & 6th we would like to use flowers from parishioners' gardens in our sanctuary environment. The environment team will set-up two areas for you to share your garden with our faith community. In front of each railing, we will have green plants set-up with a stand in the middle. We invite you to bring an arrangement of fresh cut flowers in vases to place on the stands each week. If you would like to share your summer bounty with us, please call the parish office 262-251-3944 or Bill at 262-251-2225 by the Thursday before each weekend so we can organize who is bringing in flowers. Flowers can be placed on the stands before the 4:30 pm Mass and taken back home after the 9:00 am Mass on Sunday or picked up later in the week.

Why fresh flowers? It seems like a lot of work.

The church asks us to use real plants and flowers in church environments. Like the real presence of Christ in the Eucharist, the authentic beauty of real flowers, plants etc. help us to experience the presence of God. Artificial plants and flowers may be practical and necessary sometimes, but they are only representations of natural beauty, not the beautiful flower, or plant itself created by God.

For many years I was a speaker for Sustaining the Mission (an Archdiocesan initiative to educate Catholic School teachers in matters of faith and theology). I would ask groups where they experienced God in their lives. Without fail the top three places were nature, personal relationships, and Church often in that order. What a gift Christ Jesus gave us in the Mass where all three of these things come together, helping us to recognize and receive God.

Peace,
Bill Lieven
Director of Liturgy and Music
