Everyday Stewardship

For all I know this Everyday Stewardship reflection is the last one you will ever read. That's not because I fear you will no longer get something out of reading these. At least, I hope not! It is because Jesus may very well return by this time next week. Then there will be no more need for reflections like these in bulletins, on websites, or wherever else you are reading this. You think the odds are against this happening in the next few days? I can gamble from time to time but I guess this is not something I am willing to say won't happen for sure. We do believe Jesus will come again, don't we?

For all of us there are things we put off until tomorrow. Sometimes, that tomorrow never comes. We act like we have all the time in the world. However, time on this earth is for certain one thing that does not exist in unlimited supply. Death is the primary way earthly time ends for us. Yet there will come a time when Jesus returns and if you and I are still living at that time, I hope he finds us ready.

Are you ready for such an event? Have you taken seriously your decision to be a disciple of Jesus Christ? Has that decision moved you to live a life of stewardship where all you have and are belongs to God? Or have you put all of that off to somewhere down the road? Chances are you will be reading next week's reflection and nothing too earth changing will have happened. But then, maybe, just maybe, this time is when we all lose that bet.

-Tracy Earl Welliver, MTS ©LPi

BABY BOTTLE RETURNS

If you forgot your Baby Bottle for Life's Connection this weekend please bring it to the parish office this week.
We need to get the bottles returned to Life's Connection.

IS GOD CALLING YOU?

ANOINTING OF THE SICK

The Anointing of the Sick is a sacrament of healing appropriate not only for those in immediate danger of death but also for those suffering from chronic illness or preparing for surgery.

Anointing of the Sick will take place at St. James immediately following both Masses next Sunday, November 15th. Parishioners will be invited to remain in their seats following Mass if they wish to be anointed.

BLOOD PRESSURE SCREENING

The American Heart Association reports that nearly half of all Americans over age twenty have high blood pressure. High blood pressure usually has no symptoms, so it is important to have your blood pressure checked regularly.

Blood Pressure Ministry volunteers will be available in the Great Room to check your blood pressure following both Masses next Sunday, November 15th.

FALL CLEAN-UP THANK YOU!

A HUGE Shoutout to our Confirmands and all who showed up to help with Fall Clean-up!
They showed up, willing and ready to do whatever was needed for Fall Cleanup - in large numbers, and on Halloween! One of the boys even commented that they were there "to do the heavy lifting." Our crew hauled over 60 wheelbarrows of mulch, freed trees from wire caging, moved supplies to the garage, and mulched - mulched - mulched over 75 trees, shrubs and grasses. Another team was painting the steps leading to the church entrance and the pillars that protect the parking lot lights. We were so impressed with the quality of their hard work, perseverance to get the job done, and their willingness to listen and take direction, for over three hours. God bless our volunteers!
